Any permit review must analyze the technical accuracy of the permit, the costs to the permittee to comply with the permit, the impact on business and residential rates, the water quality benefit of permit compliance, and the anticipated funding for the permittee from federal and state sources. The general fund appropriation base for this grant is \$500,000 in fiscal year 2020 and \$500,000 in fiscal year 2021. The base in fiscal year 2022 is \$0.
