"Sec. 3. **[144.348] VOLUNTARY NONOPIOID DIRECTIVE.**

Subdivision 1. **Definitions.** (a) For purposes of this section, the following definitions apply.

(b) "Commissioner" means the commissioner of health.

(c) "Opioid" means any product containing opium or opiates listed in section 152.02, subdivision 3, paragraphs (b) and (c); any product containing narcotics listed in section 152.02, subdivision 4, paragraphs (e) and (h); or any product containing narcotic drugs listed in section 152.02, subdivision 5, paragraph (b), other than products containing difenoxin or eluxadoline.

Subd. 2. **Execution of directive.** (a) An individual who is 18 years of age or older or an emancipated minor, a parent or legal guardian of a minor, or an individual's guardian or other person appointed by the individual or the court to manage the individual's health care may execute a voluntary nonopioid directive instructing health care

providers that an opioid may not be administered or prescribed to the individual or the minor. The directive must be in the format prescribed by the commissioner. The person executing the directive may submit the directive to a health care provider or hospital.

(b) An individual executing a directive may revoke the directive at any time in writing or orally.

Subd. 3. **Duties of the commissioner.** The commissioner shall adopt rules establishing requirements related to the use of voluntary nonopioid health care directives. The requirements must address:

(1) verification by a health care provider and comply with the written consent requirements under United States Code, title 42, section 290dd-2(b);

(2) standard procedures for the person executing a directive to use when submitting the directive to a health care provider or hospital;

(3) procedures to include the directive in the individual's medical record or interoperable electronic health record, and to submit the directive to the prescription monitoring program database;

(4) procedures to modify, override, or revoke a directive;

(5) exemptions for the administration of naloxone or other opioid overdose drugs in an emergency situation;

(6) confidentiality of a voluntary nonopioid directive; and

(7) exemptions for an opioid used to treat substance abuse or opioid dependence.

Subd. 4. **Exemption from liability.** (a) A health care provider, a hospital, or an employee of a health care provider or hospital may not be subject to disciplinary action by the health care provider's or employee's professional licensing board or held civilly or criminally liable for failure to administer, prescribe, or dispense an opioid, or for inadvertent administration of an opioid, to an individual or minor who has a voluntary nonopioid directive.

(b) A prescription presented to a pharmacy is presumed to be valid, and a pharmacist may not be subject to disciplinary action by the pharmacist's professional licensing board or held civilly or criminally liable for dispensing an opioid in contradiction to an individual's or minor's voluntary nonopioid directive.

Subd. 5. **Construction.** Nothing in this section shall be construed to:

(1) alter a health care directive under chapter 145C;

(2) limit the prescribing, dispensing, or administering of an opioid overdose drug; or

(3) limit an authorized health care provider or pharmacist from prescribing, dispensing, or administering an opioid for the treatment of substance abuse or opioid dependence."

Page 14, after line 13, insert:

"Sec. 7. Minnesota Statutes 2018, section 152.11, is amended by adding a subdivision to read:

**Subd. 6. Limit on quantity of opiates prescribed for acute pain associated with a major trauma or surgical procedure.** (a) When used for the treatment of acute pain associated with a major trauma or surgical procedure, initial prescriptions for opiate or narcotic pain relievers listed in Schedules II through IV of section 152.02 shall not exceed a seven-day supply. The quantity prescribed shall be consistent with the dosage listed in the professional labeling for the drug that has been approved by the United States Food and Drug Administration.

(b) For the purposes of this subdivision, "acute pain" means pain resulting from disease, accidental or intentional trauma, surgery, or another cause that the practitioner reasonably expects to last only a short period of time. Acute pain does not include chronic pain or pain being treated as part of cancer care, palliative care, or hospice or other end-of-life care.

(c) Notwithstanding paragraph (a), if in the professional clinical judgment of a practitioner more than a seven-day supply of a prescription listed in Schedules II through IV of section 152.02 is required to treat a patient's acute pain, the practitioner may issue a prescription for the quantity needed to treat such acute pain.

(d) This subdivision does not apply to the treatment of acute dental pain or acute pain associated with refractive surgery, and the quantity of opiates that may be prescribed for those conditions is governed by subdivision 4."

Opioid prevention pilot project.** \$..... in fiscal year 2020 is appropriated from the opioid stewardship account in the state government special revenue fund to the commissioner of health to continue and expand opioid abuse prevention pilot projects under Laws 2017, First Special Session chapter 6, article 10, section 144. This is a onetime appropriation."

Page 19, after line 32, insert:

"Subd. 4. **Culturally specific opioid addiction prevention and treatment programs.** (a) \$..... is appropriated from the opioid stewardship account in the state government special revenue fund to the commissioner of health, to award, beginning July 1, 2019, five-year grants to: (1) tribal governments; and (2) American Indian organizations providing services to American Indians residing in urban areas of the state. Grant dollars may be used to design, implement, and evaluate culturally specific opioid addiction prevention and treatment programs, or to expand or modify existing programs. Program design, implementation, expansion, modification, and evaluation shall be conducted by tribal health and elected leaders, and the leaders of American Indian organizations awarded grants. These leaders shall also determine which strategies and activities are culturally appropriate. The commissioner shall provide the tribes and organizations awarded grants with technical assistance. Grant awards may be used to support competitive compensation for staff members and to pay for fringe, indirect, training and continued education, travel, supply, and evaluation costs.

(b) The commissioner shall provide grants of \$..... per fiscal year per tribe, and each fiscal year shall apportion an additional \$..... among the tribes based on the number of tribal members.

(c) The commissioner shall award grants to American Indian organizations providing services in urban areas, using a competitive request for proposal process. A grant to an organization shall not exceed \$..... per fiscal year."
