The state agency shall audit such claims and certify to the commissioner of management and budget the amounts due the respective counties without delay. The amounts so certified shall be paid within ten days after such certification, from the state treasury upon ~~warrant payment~~ of the commissioner of management and budget from any money available therefor. The money available to the state agency to carry out the provisions hereof, including all federal funds available to the state, shall be kept and deposited by the commissioner of management and budget in the revenue fund and disbursed ~~upon warrants~~ in the same manner as other state funds.

The notice shall be in writing and shall be sent by ordinary mail at least ten days before the meeting of the local board of appeal and equalization under section 274.01 or the review process established under section 274.13, subdivision 1c. Upon written request by the owner of the property, the assessor may send the notice in electronic form or by electronic mail instead of on paper or by ordinary mail. It shall contain: (1) the market value for the current and prior assessment, (2) the qualifying amount of any improvements under section 273.11, subdivision 16, for the current assessment, (3) the market value subject to taxation after subtracting the amount of any qualifying improvements for the current assessment, (4) the classification of the property for the current and prior assessment, (5) the assessor's office address, and (6) the dates, places, and times set for the meetings of the local board of appeal and equalization, the review process established under section 274.13, subdivision 1c, and the county board of appeal and equalization. If the classification of the property has changed between the current and prior assessments, a specific note to that effect shall be prominently listed on the statement. The commissioner of revenue shall specify the form of the notice. The assessor shall attach to the assessment roll a statement that the notices required by this section have been mailed. Any assessor who is not provided sufficient funds from the assessor's governing body to provide such notices, may make application to the commissioner of revenue to finance such notices. The commissioner of revenue shall conduct an investigation and, if satisfied that the assessor does not have the necessary funds, issue a certification to the commissioner of management and budget of the amount necessary to provide such notices. The commissioner of management and budget shall issue a ~~warrant~~ payment for such amount and shall deduct such amount from any state payment to such county or municipality. The necessary funds to make such payments are hereby appropriated. Failure to receive the notice shall in no way affect the validity of the assessment, the resulting tax, the procedures of any board of review or equalization, or the enforcement of delinquent taxes by statutory means.

Sec. 62. Minnesota Statutes 2018, section 287.08, is amended to read:

287.08 TAX, HOW PAYABLE; RECEIPTS.

(a) The tax imposed by sections 287.01 to 287.12 must be paid to the treasurer of any county in this state in which the real property or some part is located at or before the time of filing the mortgage for record. The treasurer shall endorse receipt on the mortgage and the receipt is conclusive proof that the tax has been paid in the amount stated and authorizes any county recorder or registrar of titles to record the mortgage. Its form, in substance, shall be "registration tax hereon of dollars paid." If the mortgage is exempt from taxation the endorsement shall, in substance, be "exempt from registration tax." In either case the receipt must be signed by the treasurer. In case the treasurer is unable to determine whether a claim of exemption should be allowed, the tax must be paid as in the case of a taxable mortgage. For documents submitted electronically, the endorsements and tax amount shall be affixed electronically and no signature by the treasurer will be required. The actual payment method must be arranged in advance between the submitter and the receiving county.

(b) The county treasurer may refund in whole or in part any mortgage registry tax overpayment if a written application by the taxpayer is submitted to the county treasurer within 3-1/2 years from the date of the overpayment. If the county has not issued a denial of the application, the taxpayer may bring an action in Tax Court in the county in which the tax was paid at any time after the expiration of six months from the time that the application was submitted. A denial of refund may be appealed within 60 days from the date of the denial by bringing an action in Tax Court in the county in which the tax was paid. The action is commenced by the serving of a petition for relief on the county treasurer, and by filing a copy with the court. The county attorney shall defend the action. The county treasurer shall notify the treasurer of each county that has or would receive a portion of the tax as paid.

(c) If the county treasurer determines a refund should be paid, or if a refund is ordered by the court, the county treasurer of each county that actually received a portion of the tax shall immediately pay a proportionate share of three percent of the refund using any available county funds. The county treasurer of each county that received, or would have received, a portion of the tax shall also pay their county's proportionate share of the remaining 97 percent of the court-ordered refund on or before the 20th day of the following month using solely the mortgage registry tax funds that would be paid to the commissioner of revenue on that date under section 287.12. If the funds on hand under this procedure are insufficient to fully fund 97 percent of the court-ordered refund, the county treasurer of the county in which the action was brought shall file a claim with the commissioner of revenue under section 16A.48 for the remaining portion of 97 percent of the refund, and shall pay over the remaining portion upon receipt of a ~~warrant~~ payment from the state issued pursuant to the claim.

(d) When any mortgage covers real property located in more than one county in this state the total tax must be paid to the treasurer of the county where the mortgage is first presented for recording, and the payment must be receipted as provided in paragraph (a). If the principal debt or obligation secured by such a multiple county mortgage exceeds \$10,000,000, the nonstate portion of the tax must be remitted by the county treasurer receiving the tax to the commissioner of revenue with the state tax due under section 287.12. The commissioner shall determine the nonstate portion of the tax owed to each county in the ratio that the estimated market value of the real property covered by the mortgage in each county bears to the estimated market value of all the real property in this state described in the mortgage. The commissioner shall pay each county within 60 days of receiving the tax from the county that collected the tax. In making the division and payment the commissioner of revenue shall send a statement giving the description of the real property described in the mortgage and the estimated market value of the part located in each county. For this purpose, the commissioner of revenue may require the treasurer of any county to certify to the former the estimated market value of any tract of real property in any mortgage in the county.

(e) The mortgagor must pay the tax imposed by sections 287.01 to 287.12. The mortgagee may undertake to collect and remit the tax on behalf of the mortgagor. If the mortgagee collects money from the mortgagor to remit the tax on behalf of the mortgagor, the mortgagee has a fiduciary duty to remit the tax on behalf of the mortgagor as to the amount of the tax collected for that purpose and the mortgagor is relieved of any further obligation to pay the tax as to the amount collected by the mortgagee for this purpose.

Sec. 63. Minnesota Statutes 2018, section 297I.10, is amended to read:

297I.10 SURCHARGE ON PREMIUMS TO RESTORE DEFICIENCY IN SPECIAL FUND.

(b) By July 31 and December 31 of each year, the commissioner shall ~~pay~~ issue to each city of the first class a ~~warrant~~ payment for an amount equal to the total amount of the surcharge on the premiums collected within that city since the previous payment.

(c) The treasurer of the city shall place the money received under this subdivision in a special account or fund to defray all or a portion of the employer contribution requirement of public employees police and fire plan coverage for city firefighters.

Subd. 3. **Appropriation.** The amount necessary to make the payments required under this section is appropriated to the commissioner from the general fund.

Subd. 4. **Collection and administration.** The commissioner shall administer the surcharge imposed by this section in the same manner as the taxes imposed by this chapter.

Sec. 64. Minnesota Statutes 2018, section 299C.21, is amended to read:

Upon the receipt of the notice the state, county, or city official shall withhold the issuance of a ~~warrant for~~ the payment of the salary or other compensation accruing to such officer for the period of 30 days thereafter until notified by the bureau that such suspension has been released by the performance of the required duty.

Sec. 65. Minnesota Statutes 2018, section 348.05, is amended to read:

348.05 COMMISSIONER OF MANAGEMENT AND BUDGET TO ISSUE WARRANT PAYMENT.

The commissioner of management and budget shall audit all such claims, and, on the first Monday of October, in each year, shall issue a warrant payment to the several claimants for the amount to which each is entitled; but, if the aggregate of compensation due to all such claimants shall exceed the appropriation therefor, the commissioner shall distribute the available amount amongst them pro rata, which distribution shall relieve the state from further obligation to such claimants for the year.

The department's payments must likewise be refunded to the department.

(c) If erroneous employee deductions and employer contributions are caused by an error in plan coverage involving the plan and any other plans specified in section 356.99, that section applies. If the employee should have been covered by the plan governed by chapter 352D, 353D, 354B, or 354D, the employee deductions and employer contributions taken in error must be directly transferred to the applicable employee's account in the correct retirement plan, with interest at the applicable monthly rate or rates specified in section 356.59, subdivision 2, compounded annually, from the first day of the month following the month in which coverage should have commenced in the correct defined contribution plan until the end of the month in which the transfer occurs.

Sec. 71. Minnesota Statutes 2018, section 353.27, subdivision 7, is amended to read:

Subd. 7. **Adjustment for erroneous receipts or disbursements.** (a) Except as provided in paragraph (b), erroneous employee deductions and erroneous employer contributions and additional employer contributions to the general employees retirement plan of the Public Employees Retirement Association or to the public employees police and fire retirement plan for a person who otherwise does not qualify for membership under this chapter, are considered:

(1) valid if the initial erroneous deduction began before January 1, 1990. Upon determination of the error by the association, the person may continue membership in the association while employed in the same position for which erroneous deductions were taken, or file a written election to terminate membership and apply for a refund upon termination of public service or defer an annuity under section 353.34; or

(2) invalid, if the initial erroneous employee deduction began on or after January 1, 1990. Upon determination of the error, the association shall refund all erroneous employee deductions and all erroneous employer contributions as specified in paragraph (e). No person may claim a right to continued or past membership in the association based on erroneous deductions which began on or after January 1, 1990.

(b) Erroneous deductions taken from the salary of a person who did not qualify for membership in the general employees retirement plan of the Public Employees Retirement Association or in the public employees police and fire retirement plan by virtue of concurrent employment before July 1, 1978, which required contributions to another retirement fund or relief association established for the benefit of officers and employees of a governmental subdivision, are invalid. Upon discovery of the error, allowable service credit for all invalid service if forfeited and, upon termination of public service, the association shall refund all erroneous employee deductions to the person, with interest as determined under section 353.34, subdivision 2, and all erroneous employer contributions without interest to the employer. This paragraph has both retroactive and prospective application.

(c) Adjustments to correct employer contributions and employee deductions taken in error from amounts which are not salary under section 353.01, subdivision 10, must be made as specified in paragraph (e). The period of adjustment must be limited to the fiscal year in which the error is discovered by the association and the immediate two preceding fiscal years.

(d) If there is evidence of fraud or other misconduct on the part of the employee or the employer, the board of trustees may authorize adjustments to the account of a member or former member to correct erroneous employee deductions and employer contributions on invalid salary and the recovery of any overpayments for a period longer than provided for under paragraph (c).

(e) Upon discovery of the receipt of erroneous employee deductions and employer contributions under paragraph (a), clause (2), or paragraph (c), the association must require the employer to discontinue the erroneous employee deductions and erroneous employer contributions reported on behalf of a member. Upon discontinuation, the association must:

(1) for a member, provide a refund in the amount of the invalid employee deductions with interest on the invalid employee deductions at the rate specified under section 353.34, subdivision 2, from the received date of each invalid salary transaction through the date the credit or refund is made;

(2) for a former member who:

(i) is not receiving a retirement annuity or benefit, return the erroneous employee deductions to the former member through a refund with interest at the rate specified under section 353.34, subdivision 2, from the received date of each invalid salary transaction through the date the credit or refund is made; or

(ii) is receiving a retirement annuity or disability benefit, or a person who is receiving an optional annuity or survivor benefit, for whom it has been determined an overpayment must be recovered, adjust the payment amount and recover the overpayments as provided under this section; and

(3) return the invalid employer contributions reported on behalf of a member or former member to the employer by providing a credit against future contributions payable by the employer.

(f) In the event that a salary ~~warrant or check payment~~ payment from which a deduction for the retirement fund was taken has been canceled or the amount of the ~~warrant or check payment~~ payment returned to the funds of the department making the payment, a refund of the sum deducted, or any portion of it that is required to adjust the deductions, must be made to the department or institution.

(g) If the association discovers that a retirement annuity, survivor benefit, or disability benefit has been incorrectly calculated by using invalid service or salary, or due to any erroneous calculation procedure, the association must recalculate the annuity or benefit payable and begin payment of the corrected annuity or benefit effective the first of the month following discovery of the error. Any overpayment resulting from the incorrect calculation must be recovered as provided under subdivision 7b, if the accrual date, or any adjustment in the amount of the annuity or benefit calculated after the accrual date, except adjustments required under section 353.656, subdivision 4, falls within the current fiscal year and the two immediate previous fiscal years.

(h) Notwithstanding the provisions of this subdivision, the association may apply the Revenue Procedures defined in the federal Internal Revenue Service Employee Plans Compliance Resolution System and not issue a refund of erroneous employee deductions and employer contributions or not recover a small overpayment of benefits if the cost to correct the error would exceed the amount of the member refund or overpayment.

(i) Any fees or penalties assessed by the federal Internal Revenue Service for any failure by an employer to follow the statutory requirements for reporting eligible members and salary must be paid by the employer.

Sec. 72. Minnesota Statutes 2018, section 354.42, subdivision 7, is amended to read:

Subd. 7. **Erroneous salary deductions or direct payments.** (a) Any deductions taken from the salary of an employee for the retirement fund in excess of amounts required must be refunded to the employee upon the discovery of the error and after the verification of the error by the employing unit making the deduction. The corresponding excess employer contribution and excess additional employer contribution amounts attributable to the erroneous salary deduction must be refunded to the employing unit.

(b) If salary deductions and employer contributions were erroneously transmitted to the retirement fund and should have been transmitted to the plan covered by chapter 352D, 353D, 354B, or 354D, the executive director must transfer these salary deductions and employer contributions to the account of the appropriate person under the applicable plan. The transfer to the applicable defined contribution plan account must include interest at the rate of 0.71 percent per month, compounded annually, from the first day of the month following the month in which coverage should have commenced in the defined contribution plan until the end of the month in which the transfer occurs.

(c) A potential transfer under paragraph (b) that would cause the plan to fail to be a qualified plan under section 401(a) of the Internal Revenue Code, as amended, must not be made by the executive director. Within 30 days after being notified by the Teachers Retirement Association of an unmade potential transfer under this paragraph, the employer of the affected person must transmit an amount representing the applicable salary deductions and employer contributions, without interest, to the account of the applicable person under the appropriate plan. The retirement association must provide a credit for the amount of the erroneous salary deductions and employer contributions against future contributions from the employer.

(d) If a salary ~~warrant or check payment~~ from which a deduction for the retirement fund was taken has been canceled or the amount of the ~~warrant or if a check payment~~ has been returned to the funds of the employing unit making the payment, a refund of the amount deducted, or any portion of it that is required to adjust the salary deductions, must be made to the employing unit.

(e) Erroneous direct payments of member-paid contributions or erroneous salary deductions that were not refunded during the regular payroll cycle processing must be refunded to the member, plus interest computed using the rate and method specified in section 354.49, subdivision 2.

(f) Any refund under this subdivision that would cause the plan to fail to be a qualified plan under section 401(a) of the Internal Revenue Code, as amended, may not be refunded and instead must be credited against future contributions payable by the employer. The employer is responsible for refunding to the applicable employee any amount that was erroneously deducted from the salary of the employee, with interest as specified in paragraph (e).

(g) If erroneous employee deductions and employer contributions are caused by an error in plan coverage involving the plan and any other plan specified in section 356.99, that section applies.

Sec. 73. Minnesota Statutes 2018, section 354.52, subdivision 4, is amended to read:

Subd. 4. **Reporting and remittance requirements.** An employer shall remit all amounts due to the association and furnish a statement indicating the amount due and transmitted with any other information required by the executive director. All amounts due and other employer obligations not remitted may be certified to the commissioner of management and budget who shall deduct the amount from any state aid or appropriation amount applicable to the employing unit.
