The motion did not prevail and the amendment was not adopted.

Hertaus moved to amend H. F. No. 2542, the first engrossment, as amended, as follows:

Page 1, after line 18, insert:

"Section 1. Minnesota Statutes 2018, section 273.13, subdivision 25, is amended to read:

Subd. 25. Class 4. (a) Class 4a is residential real estate containing four or more units and used or held for use by the owner or by the tenants or lessees of the owner as a residence for rental periods of 30 days or more, excluding property qualifying for class 4d. Class 4a also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt under section 272.02, and contiguous property used for hospital purposes, without regard to whether the property has been platted or subdivided. The market value of class 4a property has a classification rate of 1.25 percent.

(b) Class 4b includes:

(1) residential real estate containing less than four units that does not qualify as class 4bb, other than seasonal residential recreational property;

(2) manufactured homes not classified under any other provision;

(3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b) containing two or three units; and

(4) unimproved property that is classified residential as determined under subdivision 33.

The market value of class 4b property has a classification rate of 1.25 percent, except that unclassified manufactured home property under clause (2) has a classification rate of 0.75 percent.

(c) Class 4bb includes:

(1) nonhomestead residential real estate containing one unit, other than seasonal residential recreational property;

(2) a single family dwelling, garage, and surrounding one acre of property on a nonhomestead farm classified under subdivision 23, paragraph (b); and

(3) a condominium-type storage unit having an individual property identification number that is not used for a commercial purpose.
Class 4bb property has the same classification rates as class 1a property under subdivision 22.

Property that has been classified as seasonal residential recreational property at any time during which it has been owned by the current owner or spouse of the current owner does not qualify for class 4bb.

(d) Class 4c property includes:

(1) except as provided in subdivision 22, paragraph (c), real and personal property devoted to commercial temporary and seasonal residential occupancy for recreation purposes, for not more than 250 days in the year preceding the year of assessment. For purposes of this clause, property is devoted to a commercial purpose on a specific day if any portion of the property is used for residential occupancy, and a fee is charged for residential occupancy. Class 4c property under this clause must contain three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site equipped with water and electrical hookups for recreational vehicles. A camping pad offered for rent by a property that otherwise qualifies for class 4c under this clause is also class 4c under this clause regardless of the term of the rental agreement, as long as the use of the camping pad does not exceed 250 days. In order for a property to be classified under this clause, either (i) the business located on the property must provide recreational activities, at least 40 percent of the annual gross lodging receipts related to the property must be from business conducted during 90 consecutive days, and either (A) at least 60 percent of all paid bookings by lodging guests during the year must be for periods of at least two consecutive nights; or (B) at least 20 percent of the annual gross receipts must be from charges for providing recreational activities, or (ii) the business must contain 20 or fewer rental units, and must be located in a township or a city with a population of 2,500 or less located outside the metropolitan area, as defined under section 473.121, subdivision 2, that contains a portion of a state trail administered by the Department of Natural Resources. For purposes of item (i)(A), a paid booking of five or more nights shall be counted as two bookings. Class 4c property also includes commercial use real property used exclusively for recreational purposes in conjunction with other class 4c property classified under this clause and devoted to temporary and seasonal residential occupancy for recreational purposes, up to a total of two acres, provided the property is not devoted to commercial recreational use for more than 250 days in the year preceding the year of assessment and is located within two miles of the class 4c property with which it is used. In order for a property to qualify for classification under this clause, the owner must submit a declaration to the assessor designating the cabins or units occupied for 250 days or less in the year preceding the year of assessment by January 15 of the assessment year. Those cabins or units and a proportionate share of the land on which they are located must be designated class 4c under this clause as otherwise provided. The remainder of the cabins or units and a proportionate share of the land on which they are located will be designated as class 3a. The owner of property desiring designation as class 4c property under this clause must provide guest registers or other records demonstrating that the units for which class 4c designation is sought were not occupied for more than 250 days in the year preceding the assessment if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5) other nonresidential facility operated on a commercial basis not directly related to temporary and seasonal residential occupancy for recreation purposes does not qualify for class 4c. For the purposes of this paragraph, "recreational activities" means renting ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski equipment; providing marina services, launch services, or guide services; or selling bait and fishing tackle;

(2) qualified property used as a golf course if:

(i) it is open to the public on a daily fee basis. It may charge membership fees or dues, but a membership fee may not be required in order to use the property for golfing, and its green fees for golfing must be comparable to green fees typically charged by municipal courses; and

(ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).
A structure used as a clubhouse, restaurant, or place of refreshment in conjunction with the golf course is classified as class 3a property;

(3) real property up to a maximum of three acres of land owned and used by a nonprofit community service oriented organization and not used for residential purposes on either a temporary or permanent basis, provided that:

(i) the property is not used for a revenue-producing activity for more than six days in the calendar year preceding the year of assessment; or

(ii) the organization makes annual charitable contributions and donations at least equal to the property's previous year's property taxes and the property is allowed to be used for public and community meetings or events for no charge, as appropriate to the size of the facility.

For purposes of this clause:

(A) "charitable contributions and donations" has the same meaning as lawful gambling purposes under section 349.12, subdivision 25, excluding those purposes relating to the payment of taxes, assessments, fees, auditing costs, and utility payments;

(B) "property taxes" excludes the state general tax;

(C) a "nonprofit community service oriented organization" means any corporation, society, association, foundation, or institution organized and operated exclusively for charitable, religious, fraternal, civic, or educational purposes, and which is exempt from federal income taxation pursuant to section 501(c)(3), (8), (10), or (19) of the Internal Revenue Code; and

(D) "revenue-producing activities" shall include but not be limited to property or that portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt liquor establishment licensed under chapter 340A, a restaurant open to the public, bowling alley, a retail store, gambling conducted by organizations licensed under chapter 349, an insurance business, or office or other space leased or rented to a lessee who conducts a for-profit enterprise on the premises.

Any portion of the property not qualifying under either item (i) or (ii) is class 3a. The use of the property for social events open exclusively to members and their guests for periods of less than 24 hours, when an admission is not charged nor any revenues are received by the organization shall not be considered a revenue-producing activity.

The organization shall maintain records of its charitable contributions and donations and of public meetings and events held on the property and make them available upon request any time to the assessor to ensure eligibility. An organization meeting the requirement under item (ii) must file an application by May 1 with the assessor for eligibility for the current year's assessment. The commissioner shall prescribe a uniform application form and instructions;

(4) postsecondary student housing of not more than one acre of land that is owned by a nonprofit corporation organized under chapter 317A and is used exclusively by a student cooperative, sorority, or fraternity for on-campus housing or housing located within two miles of the border of a college campus;

(5) (i) manufactured home parks as defined in section 327.14, subdivision 3, excluding including manufactured home parks described in items (ii) and (iii), (ii) manufactured home parks as defined in section 327.14, subdivision 3, that are described in section 273.124, subdivision 3a, and (iii) class I manufactured home parks as defined in section 327C.01, subdivision 13,
(6) real property that is actively and exclusively devoted to indoor fitness, health, social, recreational, and related uses, is owned and operated by a not-for-profit corporation, and is located within the metropolitan area as defined in section 473.121, subdivision 2;

(7) a leased or privately owned noncommercial aircraft storage hangar not exempt under section 272.01, subdivision 2, and the land on which it is located, provided that:

(i) the land is on an airport owned or operated by a city, town, county, Metropolitan Airports Commission, or group thereof; and

(ii) the land lease, or any ordinance or signed agreement restricting the use of the leased premise, prohibits commercial activity performed at the hangar.

If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must be filed by the new owner with the assessor of the county where the property is located within 60 days of the sale;

(8) a privately owned noncommercial aircraft storage hangar not exempt under section 272.01, subdivision 2, and the land on which it is located, provided that:

(i) the land abuts a public airport; and

(ii) the owner of the aircraft storage hangar provides the assessor with a signed agreement restricting the use of the premises, prohibiting commercial use or activity performed at the hangar; and

(9) residential real estate, a portion of which is used by the owner for homestead purposes, and that is also a place of lodging, if all of the following criteria are met:

(i) rooms are provided for rent to transient guests that generally stay for periods of 14 or fewer days;

(ii) meals are provided to persons who rent rooms, the cost of which is incorporated in the basic room rate;

(iii) meals are not provided to the general public except for special events on fewer than seven days in the calendar year preceding the year of the assessment; and

(iv) the owner is the operator of the property.

The market value subject to the 4c classification under this clause is limited to five rental units. Any rental units on the property in excess of five, must be valued and assessed as class 3a. The portion of the property used for purposes of a homestead by the owner must be classified as class 1a property under subdivision 22;

(10) real property up to a maximum of three acres and operated as a restaurant as defined under section 157.15, subdivision 12, provided it: (i) is located on a lake as defined under section 103G.005, subdivision 15, paragraph (a), clause (3); and (ii) is either devoted to commercial purposes for not more than 250 consecutive days, or receives at least 60 percent of its annual gross receipts from business conducted during four consecutive months. Gross receipts from the sale of alcoholic beverages must be included in determining the property's qualification under item (ii). The property's primary business must be as a restaurant and not as a bar. Gross receipts from gift shop sales located on the premises must be excluded. Owners of real property desiring 4c classification under this clause must submit an annual declaration to the assessor by February 1 of the current assessment year, based on the property's relevant information for the preceding assessment year;
(11) lakeshore and riparian property and adjacent land, not to exceed six acres, used as a marina, as defined in section 86A.20, subdivision 5, which is made accessible to the public and devoted to recreational use for marina services. The marina owner must annually provide evidence to the assessor that it provides services, including lake or river access to the public by means of an access ramp or other facility that is either located on the property of the marina or at a publicly owned site that abuts the property of the marina. No more than 800 feet of lakeshore may be included in this classification. Buildings used in conjunction with a marina for marina services, including but not limited to buildings used to provide food and beverage services, fuel, boat repairs, or the sale of bait or fishing tackle, are classified as class 3a property; and

(12) real and personal property devoted to noncommercial temporary and seasonal residential occupancy for recreation purposes.

Class 4c property has a classification rate of 1.5 percent of market value, except that (i) each parcel of noncommercial seasonal residential recreational property under clause (12) has the same classification rates as class 4bb property, (ii) manufactured home parks assessed under clause (5), item (i), have the same classification rate as class 4b property, the market value of manufactured home parks assessed under clause (5), item (ii), have a classification rate of 0.75 percent if more than 50 percent of the lots in the park are occupied by shareholders in the cooperative corporation or association and a classification rate of one percent if 50 percent or less of the lots are so occupied, and class 1 manufactured home parks as defined in section 327C.01, subdivision 13, have a classification rate of 1.0 have a classification rate of 0.75 percent, (iii) commercial-use seasonal residential recreational property and marina recreational land as described in clause (11), has a classification rate of one percent for the first $500,000 of market value, and 1.25 percent for the remaining market value, (iv) the market value of property described in clause (4) has a classification rate of one percent, (v) the market value of property described in clauses (2), (6), and (10) has a classification rate of 1.25 percent, (vi) that portion of the market value of property in clause (9) qualifying for class 4c property has a classification rate of 1.25 percent, and (vii) property qualifying for classification under clause (3) that is owned or operated by a congressionally chartered veterans organization has a classification rate of one percent. The commissioner of veterans affairs must provide a list of congressionally chartered veterans organizations to the commissioner of revenue by June 30, 2017, and by January 1, 2018, and each year thereafter.

(e) Class 4d property is qualifying low-income rental housing certified to the assessor by the Housing Finance Agency under section 273.128, subdivision 3. If only a portion of the units in the building qualify as low-income rental housing units as certified under section 273.128, subdivision 3, only the proportion of qualifying units to the total number of units in the building qualify for class 4d. The remaining portion of the building shall be classified by the assessor based upon its use. Class 4d also includes the same proportion of land as the qualifying low-income rental housing units are to the total units in the building. For all properties qualifying as class 4d, the market value determined by the assessor must be based on the normal approach to value using normal unrestricted rents.

(f) The first tier of market value of class 4d property has a classification rate of 0.75 percent. The remaining value of class 4d property has a classification rate of 0.25 percent. For the purposes of this paragraph, the “first tier of market value of class 4d property” means the market value of each housing unit up to the first tier limit. For the purposes of this paragraph, all class 4d property value must be assigned to individual housing units. The first tier limit is $100,000 for assessment year 2014. For subsequent years, the limit is adjusted each year by the average statewide change in estimated market value of property classified as class 4a and 4d under this section for the previous assessment year, excluding valuation change due to new construction, rounded to the nearest $1,000, provided, however, that the limit may never be less than $100,000. Beginning with assessment year 2015, the commissioner of revenue must certify the limit for each assessment year by November 1 of the previous year.

**EFFECTIVE DATE.** This section is effective beginning with property taxes payable in 2020."

PROTEST AND DISSENT

Pursuant to Article IV, Section 11 of the Minnesota Constitution, we the undersigned Members of the Minnesota House of Representatives register our protest and dissent against Representative Jamie Becker-Finn for her disrespectful and inappropriate behavior following a vote on the House floor on April 29, 2019, and against Speaker Melissa Hortman for her inconsistent handling of disputes between legislators.

The House Code of Conduct Policy for the Minnesota House of Representatives, pursuant to House Rule 9.01, states:

"A State Representative and an officer or employee of the House of Representatives shall:

Respect the principles of representative democracy, by exemplifying good citizenship and High personal integrity, and by observing the letter and spirit of laws, and House Rules...

Treat everyone with respect, fairness, and courtesy...

Exercise sound judgement.”
During a roll-call vote that would establish a presumption of 50 percent/50 percent shared parenting during divorce proceedings, members of DFL leadership were observed pressuring members of the House DFL caucus, ultimately leading to four votes switching from ‘yes’ to ‘no’ and the failure of the amendment on a 67-67 tie. Following the vote, Representative Marion O’Neill rose and delivered an emotional, personal speech to express her profound disappointment with the events during the previous roll-call. Representative Becker-Finn was observed watching the speech being delivered by Representative O’Neill, gloating and laughing about the previous events. Her behavior was blatantly disrespectful of the positions and emotions expressed by the bipartisan group of lawmakers who supported the shared-parenting amendment, and unbecoming of a state legislator.

Earlier this session, following intimidating, hostile, and aggressive behavior by a male DFL Chair against a female member of the House Republican Caucus, Speaker Hortman asked for the matter to be handled privately, behind closed doors. That same courtesy was not extended when dealing with a Republican member who expressed frustration with Rep. Becker-Finn’s actions. Speaker Hortman’s inconsistent handling of these situations is disappointing, detrimental to the work environment of the Minnesota House of Representatives, and harmful to the working relationship between the majority and the minority.

We the undersigned find Rep. Becker-Finn’s behavior disrespectful and unbecoming of a legislator. Rep. Becker-Finn did not act with respect, fairness, and courtesy, and therefore violated House Conduct policies pursuant to House Rule 9.01. We the undersigned further find Speaker Hortman’s handling of these incidents as harmful to the work environment of the Minnesota House and admonish not only Rep. Becker-Finn’s behavior, but Speaker Hortman’s inconsistent treatment of disputes between legislators.
