(f) A license holder shall promptly notify the commissioner in writing when a violation specified in the order is corrected. If upon reinspection the commissioner determines that a violation has not been corrected as indicated by the order, the commissioner may issue a second fine. The commissioner shall notify the license holder by mail to the last known address in the licensing record that a second fine has been assessed. (i) In addition to any fine imposed under this section, the commissioner may assess a penalty amount based on costs related to an investigation that results in a final order assessing a fine or other enforcement action authorized by this chapter.

(j) Fines collected under paragraph (a), clauses (1) to (4), shall be deposited in a dedicated special revenue account. On an annual basis, the balance in the special revenue account shall be appropriated to the commissioner to implement the recommendations of the advisory council established in section 144A.4799.

(k) Fines collected under paragraph (a), clause (5), shall be deposited in a dedicated special revenue account and appropriated to the commissioner to provide compensation according to subdivision 14 to clients subject to maltreatment. (h) "Service plan" has the meaning given in Minnesota Statutes, section 144A.43, subdivision 27.

(i) "Services" means services provided to a client by a home care provider according to a service plan.

Subd. 2. **Prerequisite to termination or nonrenewal of lease, services, or service plan.** (a) A facility must schedule and participate in a meeting with the client and the client representative before:

(1) the facility issues a notice of termination of a lease;

(2) the facility issues a notice of termination or nonrenewal of all services; or

(3) an arranged home care provider issues a notice of termination or nonrenewal of a service plan.

(b) The purposes of the meeting required under paragraph (a) are to:

(1) explain in detail the reasons for the proposed termination or nonrenewal; and

(2) identify and offer reasonable accommodations or modifications, interventions, or alternatives to avoid the termination or nonrenewal and enable the client to remain in the facility, including but not limited to securing services from another home care provider of the client's choosing. A facility is not required to offer accommodations, modifications, interventions, or alternatives that fundamentally alter the nature of the operation of the facility.

(c) The meeting required under paragraph (a) must be scheduled to take place at least seven days before a notice of termination or nonrenewal is issued. The facility must make reasonable efforts to ensure that the client and the client representative are able to attend the meeting.

(d) The facility must notify the client that the client may invite family members, relevant health professionals, a representative of the Office of Ombudsman for Long-Term Care, or other persons of the client's choosing to attend the meeting. For clients who receive home and community-based waiver services under Minnesota Statutes, section 256B.49, and Minnesota Statutes, chapter 256S, the facility must notify the client's case manager of the meeting.

Subd. 3. **Restrictions on lease terminations.** (a) A facility may not terminate a lease except as provided in this subdivision.

(b) Upon 30 days' prior written notice, a facility may initiate a termination of a lease only for:
(1) nonpayment of rent, provided the facility informs the client that public benefits may be available and provides contact information for the Senior LinkAge Line under Minnesota Statutes, section 256.975, subdivision 7. An interruption to a client's public benefits that lasts for no more than 60 days does not constitute nonpayment; or

(2) a violation of a lawful provision of the lease if the client does not cure the violation within a reasonable amount of time after the facility provides written notice to the client of the ability to cure. Written notice of the ability to cure may be provided in person or by first class mail. A facility is not required to provide a client with written notice of the ability to cure for a violation that threatens the health or safety of the client or another individual in the facility, or for a violation that constitutes illegal conduct.

(c) Upon 15 days' prior written notice, a facility may terminate a lease only if the client has:

(1) engaged in conduct that substantially interferes with the rights, health, or safety of other clients;

(2) engaged in conduct that substantially and intentionally interferes with the safety or physical health of facility staff; or

(3) committed an act listed in Minnesota Statutes, section 504B.171, that substantially interferes with the rights, health, or safety of other clients.

(d) Nothing in this subdivision affects the rights and remedies available to facilities and clients under Minnesota Statutes, chapter 504B.

Subd. 4. Restrictions on terminations and nonrenewals of services and service plans. (a) An arranged home care provider may not terminate or fail to renew a service plan of a client in a facility except as provided in this subdivision.

(b) Upon 30 days' prior written notice, an arranged home care provider may initiate a termination of services for nonpayment if the client does not cure the violation within a reasonable amount of time after the facility provides written notice to the client of the ability to cure. An interruption to a client's public benefits that lasts for no more than 60 days does not constitute nonpayment.

(c) Upon 15 days' prior written notice, an arranged home care provider may terminate or fail to renew a service plan only if:

(1) the client has engaged in conduct that substantially interferes with the client's health or safety;

(2) the client's assessed needs exceed the scope of services agreed upon in the service plan and are not otherwise offered by the arranged home care provider; or

(3) extraordinary circumstances exist, causing the arranged home care provider to be unable to meet the client with the services agreed to in the service plan that are necessary to meet the client's needs.

(d) A violation of paragraph (b) that would make it necessary for the client to move out of the facility in which the arranged home care provider is providing the services, constitutes a constructive eviction. A client alleging that an arranged home care provider is terminating services in violation of paragraph (b) may seek a temporary injunction against the termination under Minnesota Statutes, section 504B.381. The court may grant a temporary
injunction upon a showing by the client that: (1) there is a genuine issue of material fact as to whether the arranged home care provider is terminating services in violation of paragraph (b); and (2) the termination would cause irreparable harm to the client. Upon a grant of a temporary injunction, the termination shall be automatically stayed while the underlying dispute is adjudicated in a court of competent jurisdiction. If a client prevails in an action brought under this paragraph, the client is entitled to reasonable attorney fees and court costs. During the period of time between the issuance of a temporary injunction and final adjudication of the underlying dispute, the client is responsible for contracting for those additional services the client needs from the arranged home care provider or another home care provider, and for ensuring that the costs for those additional services are covered.

**Subd. 5. Restriction on lease nonrenewals.** If a facility decides to not renew a client's lease, the facility must:

(1) provide the client with 60 calendar days' notice of the nonrenewal;

(2) ensure a coordinated move as provided under subdivision 7;

(3) consult and cooperate with the client; the client representative; the case manager of a client who receives home and community-based waiver services under Minnesota Statutes, section 256B.49, and Minnesota Statutes, chapter 256S; relevant health professionals; and any other person of the client's choosing, to make arrangements to move the client; and

(4) prepare a written plan to prepare for the move.

**Subd. 6. Right to return.** If a client is absent from a facility for any reason, the facility shall not refuse to allow a client to return if a lease termination has not been effectuated.

**Subd. 7. Coordinated moves.** (a) A facility or arranged home care provider, as applicable, must arrange a coordinated move for a client according to this subdivision if:

(1) a facility terminates a lease or closes the facility;

(2) an arranged home care provider terminates or does not renew a service plan; or

(3) an arranged home care provider reduces or eliminates services to the extent that the client needs to move.

(b) If an event listed in paragraph (a) occurs, the facility or arranged home care provider, as applicable, must:

(1) ensure a coordinated move to a safe location that is appropriate for the client and that is identified by the facility;

(2) ensure a coordinated move to an appropriate service provider identified by the facility, provided services are still needed and desired by the client; and

(3) consult and cooperate with the client; the client representative; the case manager for a client who receives home and community-based waiver services under Minnesota Statutes, section 256B.49, and Minnesota Statutes, chapter 256S; relevant health professionals; and any other person of the client's choosing, to make arrangements to move the client.
(c) A facility may satisfy the requirements in paragraph (b), clauses (1) and (2), by moving the client to a different location within the same facility, if appropriate for the client.

(d) A client may decline to move to the location the facility identifies or to accept services from a service provider the facility identifies, and may choose instead to move to a location of the client's choosing or receive services from a service provider of the client's choosing.

(e) Sixty days before the facility or arranged home care provider reduces or eliminates one or more services for a particular client, the facility must provide written notice of the reduction or elimination. If the facility, arranged home care provider, client, or client representative determines that the reduction or elimination of services will force the client to move to a new location, the facility must ensure a coordinated move in accordance with this subdivision, and must provide notice to the Office of Ombudsman for Long-Term Care.

(f) The facility or arranged home care provider, as applicable, must prepare a relocation plan to prepare for the move to the new location or service provider.

(g) With the client's knowledge and consent, if the client is relocated to another facility or to a nursing home, or if care is transferred to another service provider, the facility must timely convey to the new facility, nursing home, or service provider:

1. the client's full name, date of birth, and insurance information;
2. the name, telephone number, and address of the client representative, if any;
3. the client's current, documented diagnoses that are relevant to the services being provided;
4. the client's known allergies that are relevant to the services being provided;
5. the name and telephone number of the client's physician, if known, and the current physician orders that are relevant to the services being provided;
6. all medication administration records that are relevant to the services being provided;
7. the most recent client assessment, if relevant to the services being provided; and
8. copies of health care directives, "do not resuscitate" orders, and any guardianship orders or powers of attorney.

Subd. 8. No waiver. No facility or arranged home care provider may request or require that a client waive the client's rights or requirements under this section at any time or for any reason, including as a condition of admission to the facility.

EFFECTIVE DATE. This section is effective for contracts entered into on or after August 1, 2021, and expires July 31, 2022.
