"Section 1. CIVIL UNREST IMMEDIATE RELIEF PROGRAM.

Subdivision 1. Definitions. (a) For the purposes of this section, the following terms have the meanings given.

(b) "Commissioner" means the commissioner of employment and economic development.

(c) "Community organization" means an organization that has the experience and capacity to make grants and loans to entities under this section, including providing outreach to affected populations and technical assistance to applicants. The cities of Minneapolis and St. Paul qualify as community organizations under this section.

(d) "Entity" includes any business or nonprofit organization. This includes businesses, cooperatives, utilities, industrial, commercial, retail, and nonprofit organizations.

Subd. 2. Establishment. The commissioner shall establish a program to make grants to community organizations to develop and implement local economic relief programs designed with the primary goal of assisting areas adversely affected by civil unrest during the peacetime emergency declared in governor's Executive Order No. 20-64 by preserving incumbent entities and encouraging new entities to locate in those areas. To this end, local programs should include outreach to cultural communities, support for microenterprises, and preferences for entities that were already under stress from the COVID-19 peacetime emergency.

Subd. 3. Available relief. (a) The local programs established by community organizations under this section may include grants or loans as provided in this section. Prior to awarding a grant to a community organization for a local program under this section:

(ii) require submission of a plan for continued operation. The plan must document the probable success of the applicant's plan and probable success in repaying the loan according to the terms established for the loan program.

(c) All loan repayment funds under this subdivision must be paid to the commissioner of employment and economic development for deposit in the general fund.

Subd. 4. Monitoring and reporting. (a) Participating community organizations must establish performance measures that include but are not limited to the following components:

(1) the number of loans approved and the amounts and terms of the loans;

(2) the number of grants awarded, award amounts, and the reason that a grant award was made in lieu of a loan;
