(1) recommendations for any changes to the MinnesotaCare public option necessary to continue federal basic health program funding or to receive other federal funding;

(2) recommendations for implementing Minnesota Statutes, section 256L.15, subdivision 5, in a manner that would allow any employee premium contributions to be pretax and allow any employer contribution toward employee premiums to not be considered taxable income for the employee;

(3) recommendations for increasing MinnesotaCare provider enrollment, including an analysis of the feasibility of requiring participation in MinnesotaCare as a condition for state licensure;

(4) estimates of state costs related to the MinnesotaCare public option; and

(5) draft legislation that includes any additional policy and conforming changes necessary to implement the MinnesotaCare public option and the implementation plan recommendations.

Sec. 11. **REQUEST FOR FEDERAL APPROVAL.**

(a) The commissioner of human services shall seek any federal waivers, approvals, and law changes necessary to implement this act, including but not limited to those waivers, approvals, and law changes necessary to allow:

(2) the state to receive federal payments equal to the value of advance premium tax credits and cost-sharing reductions that MinnesotaCare enrollees with household incomes greater than 200 percent of the federal poverty guidelines would otherwise have received.

(b) In implementing this section, the commissioner of human services shall consult with the commissioner of commerce and the board of directors of MNSure, and may contract for technical and actuarial assistance.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 12. **CONTINGENT EFFECTIVE DATE.**

Sections 1, 2, 3, 5, 6, 8, and 9 are effective January 1, 2023, or upon federal approval, whichever is later, but only if the commissioner of human services certifies to the legislature that implementation of those sections will not result in the loss of federal basic health program funding for MinnesotaCare enrollees with incomes not exceeding 200 percent of the federal poverty guidelines."
