The board of directors and the 33 small business owners of the Mercado Central would like to thank you for your support of including \$850,000 for much needed capital improvements to our economic hub.

While many of you have visited the Mercado Central over the summer, we hope that you can find the time to come back and see the work we will be able to accomplish with the funding support. We look forward to introducing you to all the businesses that will benefit from your the investment.

While we know there are many more steps ahead of the legislative session, we hope you keep the Mercado Central and the many businesses we house in consideration as the legislaive body conitnues to make decisions.

If you have any questions please dont hesitate to contact us.

Thank you again and we look forward to your next visit of Mercado Central.

Respectfully,
