Date March 10, 2021

Overview

H.F. 1092 appropriates \$1.5 million per year to the Girl Scout Councils to implement the ConnectZ program which serves underrepresented, underresourced girls in kindergarten through grade 12. The ConnectZ provides programming related to: healthy relationships; science, technology, engineering, and math (STEM); financial literacy; college and career readiness; and leadership development and service learning.

H.F. 1092 requires the grant recipients to report on student participation, program outcomes, and actual grant expenditures.

Summary

Section	Description
---------	-------------

1	Appropriation; ConnectZ program.
----------	---

Appropriates \$1.5 million per year from the general fund to Girl Scouts River Valleys as the fiscal agent for Minnesota's Girl Scouts Councils to operate the ConnectZ program.
