

## RESOLUTION NO. 2019-11

### RESOLUTION SUPPORTING LOCAL GOVERNMENTS' RIGHT TO EXPLORE AND USE RANKED CHOICE VOTING FOR LOCAL ELECTIONS

**WHEREAS**, all townships and school districts, 86 of 87 counties, and 85 percent of cities fall under statutory rule for the conduct of local elections, and must ask permission of the Legislature to make changes to these rules; and

**WHEREAS**, Ranked Choice Voting (RCV) consolidates two elections into one, so that in local nonpartisan elections, we can eliminate primaries that a shrinking number of voters participate in; and

**WHEREAS**, in cities with odd-year local elections, we can save the cost of primaries altogether; and

**WHEREAS**, RCV ensures a majority winner, working like a runoff (or like a primary-general election) but with a single election; and voters rank their preferences on the ballot, 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and so on; and in a single-seat election, if no candidate receives a majority of first choices, then the least popular candidate is defeated and their ballots are reassigned to those voters' second choices; and this process is repeated until one candidate receives a majority of continuing ballots; and

**WHEREAS**, RCV is successfully used in Minneapolis and St. Paul (and St. Louis Park in 2019), with more than 87 percent of voters saying that RCV is simple to use; and

**WHEREAS**, a local options measure would contain no mandates, but simply provides us with the permission and tools we need to consider and implement RCV if we wish; and

**WHEREAS**, a growing number of Minnesota jurisdictions have indicated an interest in RCV; and

**WHEREAS**, for charter cities that may adopt RCV without legislative permission, they need the guidelines such a measure would provide to ensure consistent implementation across Minnesota; and

**WHEREAS**, RCV has demonstrated that it improves voter turnout and participation; and

**WHEREAS**, RCV makes voting easier for deployed military members and other citizens abroad by requiring one less election for them to receive and return their ballots on time; and

**WHEREAS**, voters appreciate the civil and positive campaigning that RCV encourages; and

**WHEREAS**, having the local option is a significant opportunity to improve elections in cities, counties, townships, and school districts throughout the state.

**NOW, THEREFORE, BE IT RESOLVE BY THE UNDERSIGNED**, we support removing government barriers and giving all local jurisdictions in Minnesota the option in state law to use Ranked Choice Voting if we decide it is right for our communities.

Adopted this 17<sup>th</sup> day of January 2019 by the City Council of the City of Melrose.

## **Local Options Bill Background Information**

The Ranked Choice Voting Local Options bill sponsored by Representatives Steve Elkins (DFL-Bloomington) and Mike Freiberg (DFL-Golden Valley) had its first 2019 hearing on 2/20/2019 with the House Subcommittee on Elections. It was included and passed in the 2019 Government Operations omnibus bill. A Senate companion bill (SF 2424) was introduced during the 2019 session by Rep. Kent Eken, DFL-Twin Valley. The Minnesota Senate did not hear any election bills in 2019.

The local options bill would give any city, school district, etc., the right to use RCV if they wish, without having to ask the Legislature for permission. This bill would free statutory jurisdictions to use Ranked Choice Voting if they choose, and allow charter cities to approve RCV by ordinance. It also would establish guidelines to ensure that the next generation of voting equipment is RCV-capable. The bill would impose no mandates and has no effect whatsoever on communities uninterested in pursuing RCV.

In Minnesota, only 15% of our cities have the option to set their own rules for their local elections. The remaining 85% of cities, all townships, all school districts, all soil & water boards, and all counties except Ramsey, would have to ask the Minnesota Legislature for permission to use Ranked Choice Voting for their elections.

Community members have asked the Hopkins School Board to consider a resolution of support for this measure, as it aligns with our LAC platform plank on local control.
