27.7 **representative before:**

27.8 (1) the facility issues a notice of termination of a lease;

27.9 (2) the facility issues a notice of termination or nonrenewal of all services; or

27.10 (3) an arranged home care provider issues a notice of termination or nonrenewal of a
27.11 service plan.

27.12 (b) The purposes of the meeting required under paragraph (a) are to:

27.13 (1) explain in detail the reasons for the proposed termination or nonrenewal; and

27.14 (2) identify and offer reasonable accommodations or modifications, interventions, or
27.15 alternatives to avoid the termination or nonrenewal and enable the client to remain in the
27.16 facility, including but not limited to securing services from another home care provider of
27.17 the client's choosing. A facility is not required to offer accommodations, modifications,
27.18 interventions, or alternatives that fundamentally alter the nature of the operation of the
27.19 facility.

27.20 (c) The meeting required under paragraph (a) must be scheduled to take place at least

28.1 (b) Upon 30 days' prior written notice, a facility may initiate a termination of a lease
28.2 only for:

28.3 (1) nonpayment of rent, provided the facility informs the client that public benefits may
28.4 be available and provides contact information for the Senior LinkAge Line under Minnesota
28.5 Statutes, section 256.975, subdivision 7. An interruption to a client's public benefits that
28.6 lasts for no more than 60 days does not constitute nonpayment; or

28.7 (2) a violation of a lawful provision of the lease if the client does not cure the violation
28.8 within a reasonable amount of time after the facility provides written notice to the client of
28.9 the ability to cure. Written notice of the ability to cure may be provided in person or by first
28.10 class mail. A facility is not required to provide a client with written notice of the ability to
28.11 cure for a violation that threatens the health or safety of the client or another individual in
28.12 the facility, or for a violation that constitutes illegal conduct.

28.13 (c) Upon 15 days' prior written notice, a facility may terminate a lease only if the client

28.22 clients under Minnesota Statutes, chapter 504B.

28.23 **Subd. 4. Restrictions on terminations and nonrenewals of services and service**
28.24 **plans. (a) An arranged home care provider may not terminate or fail to renew a service plan**
28.25 **of a client in a facility except as provided in this subdivision.**

28.26 (b) Upon 30 days' prior written notice, an arranged home care provider may initiate a
28.27 termination of services for nonpayment if the client does not cure the violation within a
28.28 reasonable amount of time after the facility provides written notice to the client of the ability
28.29 to cure. An interruption to a client's public benefits that lasts for no more than 60 days does
28.30 not constitute nonpayment.

28.31 (c) Upon 15 days' prior written notice, an arranged home care provider may terminate
28.32 or fail to renew a service plan only if:

29.1 (1) the client has engaged in conduct that substantially interferes with the client's health
29.2 or safety;

29.3 (2) the client's assessed needs exceed the scope of services agreed upon in the service
29.4 plan and are not otherwise offered by the arranged home care provider; or

29.5 (3) extraordinary circumstances exist, causing the arranged home care provider to be
29.6 unable to provide the client with the services agreed to in the service plan that are necessary
29.7 to meet the client's needs.

29.8 (d) A violation of paragraph (b) that would make it necessary for the client to move out
29.9 of the facility in which the arranged home care provider is providing the services, constitutes
29.10 a constructive eviction. A client alleging that an arranged home care provider is terminating
29.11 services in violation of paragraph (b) may seek a temporary injunction against the termination
29.12 under Minnesota Statutes, section 504B.381. The court may grant a temporary injunction
29.13 upon a showing by the client that: (1) there is a genuine issue of material fact as to whether
29.14 the arranged home care provider is terminating services in violation of paragraph (b); and
29.15 (2) the termination would cause irreparable harm to the client. Upon a grant of a temporary
29.16 injunction, the termination shall be automatically stayed while the underlying dispute is
29.17 adjudicated in a court of competent jurisdiction. If a client prevails in an action brought
29.18 under this paragraph, the client is entitled to reasonable attorney fees and court costs. During
29.19 the period of time between the issuance of a temporary injunction and final adjudication of
29.20 the underlying dispute, the client is responsible for contracting for those additional services
29.21 the client needs from the arranged home care provider or another home care provider, and
29.22 for ensuring that the costs for those additional services are covered.

29.23 Subd. 5. **Restriction on lease nonrenewals.** If a facility decides to not renew a client's
29.24 lease, the facility must:

29.25 (1) provide the client with 60 calendar days' notice of the nonrenewal;

29.26 (2) ensure a coordinated move as provided under subdivision 7;

29.27 (3) consult and cooperate with the client; the client representative; the case manager of
29.28 a client who receives home and community-based waiver services under Minnesota Statutes,
29.29 section 256B.49, and Minnesota Statutes, chapter 256S; relevant health professionals; and
29.30 any other person of the client's choosing, to make arrangements to move the client; and

29.31 (4) prepare a written plan to prepare for the move.

29.32 Subd. 6. **Right to return.** If a client is absent from a facility for any reason, the facility
29.33 shall not refuse to allow a client to return if a lease termination has not been effectuated.

30.1 Subd. 7. Coordinated moves. (a) A facility or arranged home care provider, as applicable,
30.2 must arrange a coordinated move for a client according to this subdivision if:

30.3 (1) a facility terminates a lease or closes the facility;

30.4 (2) an arranged home care provider terminates or does not renew a service plan; or

30.5 (3) an arranged home care provider reduces or eliminates services to the extent that the
30.6 client needs to move.

30.7 (b) If an event listed in paragraph (a) occurs, the facility or arranged home care provider,
30.8 as applicable, must:

30.9 (1) ensure a coordinated move to a safe location that is appropriate for the client and
30.10 that is identified by the facility;

30.11 (2) ensure a coordinated move to an appropriate service provider identified by the facility,
30.12 provided services are still needed and desired by the client; and

30.13 (3) consult and cooperate with the client; the client representative; the case manager for
30.14 a client who receives home and community-based waiver services under Minnesota Statutes,
30.15 section 256B.49, and Minnesota Statutes, chapter 256S; relevant health professionals; and
30.16 any other person of the client's choosing, to make arrangements to move the client.

30.17 (c) A facility may satisfy the requirements in paragraph (b), clauses (1) and (2), by
30.18 moving the client to a different location within the same facility, if appropriate for the client.

30.19 (d) A client may decline to move to the location the facility identifies or to accept services
30.20 from a service provider the facility identifies, and may choose instead to move to a location
30.21 of the client's choosing or receive services from a service provider of the client's choosing.

30.22 (e) Sixty days before the facility or arranged home care provider reduces or eliminates
30.23 one or more services for a particular client, the facility must provide written notice of the
30.24 reduction or elimination. If the facility, arranged home care provider, client, or client
30.25 representative determines that the reduction or elimination of services will force the client
30.26 to move to a new location, the facility must ensure a coordinated move in accordance with
30.27 this subdivision, and must provide notice to the Office of Ombudsman for Long-Term Care.

30.28 (f) The facility or arranged home care provider, as applicable, must prepare a relocation
30.29 plan to prepare for the move to the new location or service provider.

30.30 (g) With the client's knowledge and consent, if the client is relocated to another facility
30.31 or to a nursing home, or if care is transferred to another service provider, the facility must
30.32 timely convey to the new facility, nursing home, or service provider:

- 31.1 (1) the client's full name, date of birth, and insurance information;
- 31.2 (2) the name, telephone number, and address of the client representative, if any;
- 31.3 (3) the client's current, documented diagnoses that are relevant to the services being
31.4 provided;
- 31.5 (4) the client's known allergies that are relevant to the services being provided;
- 31.6 (5) the name and telephone number of the client's physician, if known, and the current
31.7 physician orders that are relevant to the services being provided;
- 31.8 (6) all medication administration records that are relevant to the services being provided;
- 31.9 (7) the most recent client assessment, if relevant to the services being provided; and
- 31.10 (8) copies of health care directives, "do not resuscitate" orders, and any guardianship
31.11 orders or powers of attorney.

31.12 Subd. 8. **No waiver.** No facility or arranged home care provider may request or require
31.13 that a client waive the client's rights or requirements under this section at any time or for
31.14 any reason, including as a condition of admission to the facility.

31.15 **EFFECTIVE DATE.** This section is effective for contracts entered into on or after
31.16 August 1, 2021, and expires July 31, 2022.
