

1.1 moves to amend H.F. No. 4289, the first engrossment, as follows:

1.2 Page 96, after line 4, insert:

1.3 "(e) "Fixed wireless service" means the transmission of an Internet signal from a fixed
1.4 terrestrial base station via radio waves to a receiver at a user's location."

1.5 Reletter the paragraphs in sequence

1.6 Page 96, lines 22 and 25, strike "wire-line"

1.7 Page 97, line 1, after "infrastructure" insert "and broadband infrastructure necessary for
1.8 fixed wireless service"
