5.18 certificates, policies, and related assets and liabilities of the society, together with any other
5.19 assets and liabilities the society desires to transfer, to another firm, corporation, or
5.20 organization through merger, consolidation, assumption, or other means. Any transfer shall
5.21 constitute a novation of the transferring society's certificates or policies effective upon the
5.22 date of transfer. The commissioner shall review the plan within 30 days of its submission
5.23 and may approve the plan within that time frame if the plan provides sound financial security
5.24 for the payment of obligations arising under the certificates and policies of the society and
5.25 is otherwise in the best interest of the members.

5.26 (b) The transfer shall be:

5.27 (1) concluded within the time frame established by the commissioner, which shall not
5.28 exceed 90 days;

5.29 (2) approved by the society upon majority vote of its board of directors prior to the
5.30 submission of the plan to the commissioner; and

5.31 (3) effective notwithstanding the provisions of section 64B.14 or any other requirement
5.32 of statute or rule or the laws of the society requiring another form of notice to members or

6.1 approval by the supreme governing body. Any notice to or approval of a transfer required
6.2 by the laws of the society or statute or rule shall be suspended by this subdivision.

6.4 that does not have a certificate of authority to transact insurance in this state, a limited
6.5 certificate of authority may be issued upon application to the commissioner if the firm,
6.6 corporation, or organization is authorized to transact insurance by and is domiciled in a
6.7 state accredited by the National Association of Insurance Commissioners. Within 30 days
6.8 of application, a limited certificate of authority may be issued if the commissioner determines
6.9 that the applicant has sufficient financial strength and servicing capabilities to satisfy the
6.10 obligations arising under the transferring society's certificates and policies. The limited
6.11 certificate of authority shall authorize the firm, corporation, or organization to service the
6.12 certificates and policies resulting from a transfer, including issuing any amendments or
6.13 revisions requested by the holder of the policy and certificate, and to fulfill all obligations
6.14 arising under the policy or certificate, but not to otherwise transact insurance in this state.

6.15 (d) Upon the effective date of a transfer to a firm, corporation, or organization that is
6.16 not a domestic or foreign society and in consideration for that transfer, each member of the
6.17 society shall be deemed to agree that any terms of a certificate subjecting the certificate to
6.18 the laws of the society or providing rights or obligations of membership, except to the extent
6.19 of any outstanding lien not released by the terms of the transfer, shall be null and void and
6.20 the assuming firm, corporation, or organization shall endorse the certificates accordingly.

6.21 (e) The board of directors of a society may suspend or modify its qualifications for
6.22 membership as necessary or appropriate to facilitate a transfer under this subdivision,
6.23 notwithstanding the laws of the society or any statute or rule to the contrary. Notwithstanding
6.24 any statute or rule to the contrary, no notice to members or approval by the supreme
6.25 governing body shall be required if a society has a fraternal authorized control level event
6.26 and a transfer is approved by the commissioner pursuant to this subdivision. Each society
6.27 shall amend their laws to permit the transactions contemplated by this subdivision, including
6.28 suspending any provisions requiring any notice to members or approval of the supreme
6.29 governing body with respect to the transfer of its certificates and policies, if the society has
6.30 a fraternal authorized control level event and the transfer is approved by the commissioner

6.31 Subd. 3. **Liquidation.** (a) In the event of a fraternal authorized control level event under
6.32 circumstances the commissioner determines will not be promptly remedied pursuant to the
6.33 authorization provided in subdivision 2, or in the event that there are any grounds under
6.34 section 60B.20 to commence a liquidation, the commissioner may issue an order declaring
6.35 the society to be in hazardous financial condition and initiate proceedings pursuant to this

7.1 subdivision. For purposes of a proceeding commenced pursuant to this subdivision,
7.2 rehabilitation under section 60B.15 shall be presumed to be futile and serve no useful
7.3 purpose, unless the society can establish by clear and convincing evidence or the
7.4 commissioner reasonably believes that rehabilitation has a high probability of returning the
7.5 society to long-term viability.

7.6 (b) A liquidation proceeding under this subdivision shall be governed by chapter 60B,
7.7 except to the extent the provisions of chapter 60B are in conflict or inconsistent with any
7.8 provisions in this chapter. Notwithstanding the application of chapter 60B, the following
7.9 sections shall not apply to the liquidation of a society: 60B.04, subdivision 2; 60B.39,
7.10 subdivision 6; 60B.40; and 60B.46, subdivisions 3 and 4, clauses (3), (4), and (5), and
7.11 subdivisions 5 and 6, unless the commissioner determines to proceed with rehabilitation
7.12 under paragraph (a). Section 60B.18 shall apply to any proceeding under this subdivision
7.13 and shall vest the authority of the rehabilitator in the liquidator, unless the commissioner
7.14 determines to proceed with rehabilitation under paragraph (a).

7.15 (c) Notwithstanding section 60B.35, no assessment levied under section 64B.19 is
7.16 permissible after a petition for liquidation is filed for the benefit of any creditor other than
7.17 those creditors described in section 60B.44, subdivisions 2 and 4.

7.18 (d) Pursuant to section 60B.25, clause (8), the commissioner shall attempt to transfer
7.19 by way of assignment, assumption, or other means the certificates of the liquidating society
7.20 to another qualified society, whether domestic or foreign, or, if no qualified society will
7.21 accept such a transfer, to a firm, corporation, or organization authorized to transact life
7.22 insurance in this state. No society shall be obligated to accept such a transfer. Upon the
7.23 effective date of a transfer to a firm, corporation, or organization that is not a fraternal
7.24 benefit society and in consideration for that transfer, each member of the society shall be
7.25 deemed to agree that any terms of a certificate subjecting the certificate to the laws of the
7.26 society or rights or obligations of membership shall be null and void except to the extent
7.27 of any outstanding lien that has not been terminated in the liquidation. The assuming firm,
7.28 corporation, or organization shall endorse the certificate accordingly. Any transfer pursuant
7.29 to this clause shall constitute a novation of the transferring society's certificates effective
7.30 upon the date of transfer.

7.31 (e) Liquidation proceedings for a society shall be conducted consistent with the purposes
7.32 of section 60B.01, subdivision 4, paragraph (c), in a manner designed to conserve assets
7.33 and to limit expenses of the liquidation under section 60B.44, subdivision 2."

7.34 Amend the title accordingly
