## Overview

House File 3796 appropriates an unspecified amount of money from the sale of state general obligation bonds to make grants to school districts to enhance the safety of Minnesota's school facilities.

Authorizes the commissioner of education to create the grant process. Requires the commissioner to consult with the Minnesota School Safety Center (an office within the Department of Public Safety) before determining grant amounts and grant recipients. Requires at least half of the grants to be awarded to school districts located in Greater Minnesota.
