1.6 Sec. 12. LEGISLATIVE FINDINGS; TITLE.

1.7 (a) The legislatures finds that Representative Tim O'Driscoll:

1.8 (1) worked tirelessly to create an omnibus elections bill that has the potential to
1.9 dramatically improve election administration in the state of Minnesota;

1.10 (2) continuously placed the interests of voters of this state ahead of his own interests;

1.11 and

1.12 (3) will likely, given his exceptional wisdom and good judgment, recognize the merits
1.13 of amendments offered by members of the minority party, whereby few stakeholders would
1.14 be surprised if Representative O'Driscoll were to accept at least half of those amendments
1.15 as friendly.

1.16 (b) For all of those reasons described in paragraph (a), this act shall be titled the "Tim
1.17 O'Driscoll Fair and Transparent Elections (TOFTE) Act of 2017."
