

1.1 moves to amend H.F. No. 14 as follows:

1.2 Page 2, after line 7, insert:

1.3 "Sec. 2. Minnesota Statutes 2018, section 201.121, is amended by adding a subdivision
1.4 to read:

1.5 Subd. 4. Resolution of registration discrepancies; legislative report. (a) Each county
1.6 auditor, and the secretary of state, must maintain a record of efforts to resolve discrepancies
1.7 discovered when entering information into the statewide voter registration system. No later
1.8 than 60 days after each election, the county auditor must transmit a copy of these records
1.9 to the secretary of state. The record must be itemized by each registration file, describe the
1.10 type of discrepancy discovered, and indicate how the discrepancy was resolved. A
1.11 discrepancy includes, but is not limited to, a failure to match the name or identification
1.12 number of a voter with the name or identification number provided for that voter in a database
1.13 used by the secretary of state to verify registrations under this chapter.

1.14 (b) No later than 90 days after an election, the secretary of state must submit a summary
1.15 report describing the response received from each county, along with any additional
1.16 discrepancies discovered by the secretary of state, to the house and senate committees with
1.17 jurisdiction over elections policy. The report must include information on how each
1.18 discrepancy was resolved, and whether the discrepancy was forwarded to a law enforcement
1.19 agency for further investigation under section 201.275.

1.20 (c) The secretary of state must maintain the complete data received from each county
1.21 and make it available for investigations authorized by law, including in response to authorized
1.22 audits and law enforcement requests."
