Written Testimony in support of HF 1104, HF 1103

I would like to submit written testimony to today's Judiciary Committee in support of bills HF 1104 and HF 1103. Ending qualified immunity and making body cam footage available within 48 hours are necessary steps to holding police officers accountable in the tragic event of a police shooting or killing. Black Minnesotans need these police accountability measures and many more in place to keep them alive.

Thank you,
Chelsea Ritland
