OUR MISSION

CEEM provides the **business voice** for energy efficiency and clean energy in Minnesota.

We promote the **business case** for energy efficiency and clean energy to drive innovation and expand market opportunities.

CEEM works **across industries** and **between the aisle** to support a prosperous clean energy economy for all Minnesotans.

MINNESOTA ENERGY ALLEY

Strengthening our state's energy and economic development future

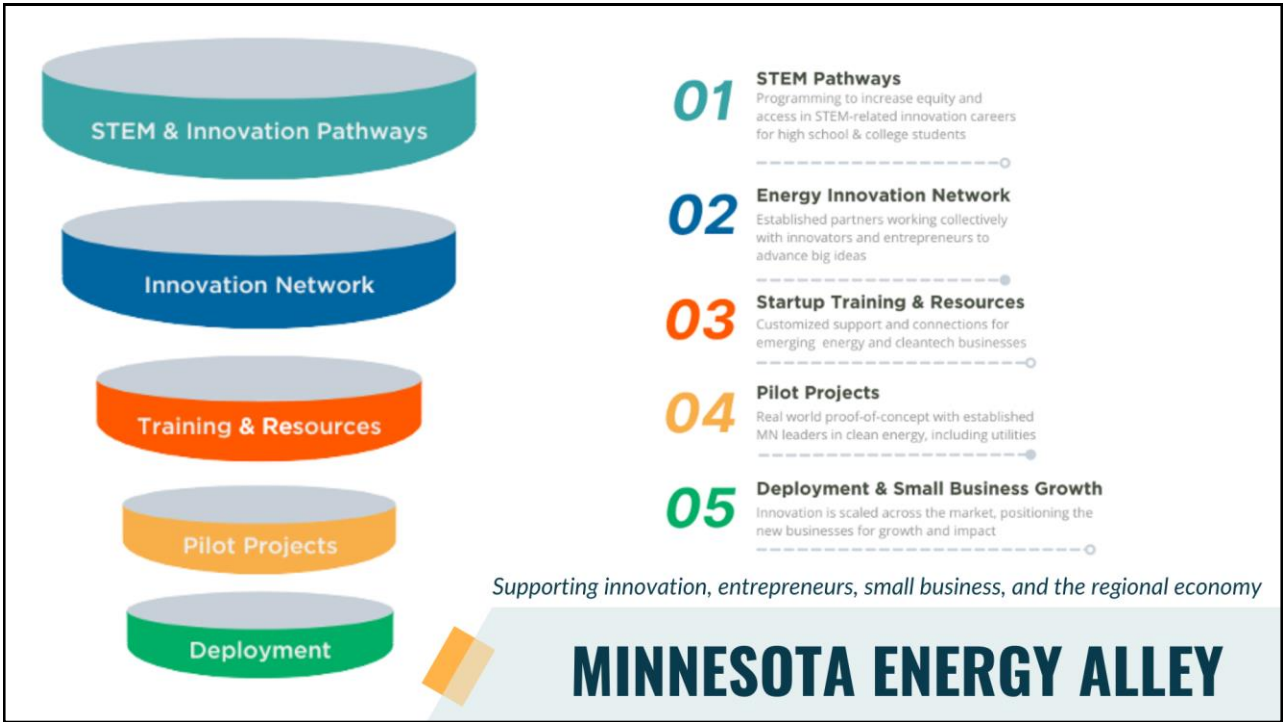

UNMET NEED:

A connected, statewide ecosystem to equip and support entrepreneurs and emerging businesses to commercialize and deploy innovative energy technologies

STRATEGIC INVESTMENT WILL:

- Catalyze partnerships and comprehensive business support for energy technology commercialization from idea to market
- Retain, grow, and attract energy entrepreneurs and companies
- Leverage private investment and make Minnesota a “go-to” place for energy innovation and business success
- Help achieve state decarbonization and net-zero goals
