

45%

OF CHILDREN HAVE EXPERIENCED SERIOUS TRAUMA

(16-17 National Survey of Children's Health)

SCHOOLS HAVE BECOME THE FRONT LINE OF THE CHILDREN'S MENTAL HEALTH SYSTEM

Trauma re-wires the brain to constantly assume there is danger.

How can we change the overrepresentation of children of color in the most restrictive special education programs?

How can education and mental health models blend to help heal children?

LET'S HAVE A CONVERSATION.
