

ELY PUBLIC SCHOOLS

ISD #696

In 2019, the district went out for a 20 million bond to:

1. Connect the Elem and HS, new commons, gym, band and industrial tech areas
2. Make sq footage more efficient
3. Remodel the 100 year old Elem and HS

The COVID-19 Pandemic, combined with supply chain issues and inflation happened

1. Most of the remodeling project had to be postponed due to bids coming in 4.4 million over budget

Vital projects that still need funding:

1. Windows - Most are 50-60 years old - 1.5 Million
2. Bathrooms - Bathrooms in both buildings are 40-50 years old - 500K
3. Security - One of the big sales point to the public was changing all the doors and making them electronic for increased security - 600K
4. Tech infrastructure - 400K
5. Classroom upgrades - 1.4 million
