*\*Committees assigned to Room G-3 Capitol may hold remote hearings on days opposite those listed on this schedule*

Consistent with [Joint Rule 2.06](#), it is up to each conference committee chair to decide to meet when they hold the gavel and whether to hold their hearing as a remote or hybrid hearing. Just because a room has been assigned doesn't mean that the Committee will be using the room on a given day. Watch postings for exact time and location. Additional hearings may be scheduled if streaming capacity allows and conflicts between Members and staff are avoided. Hearings may also occur in the evenings. *Schedule is subject to change.*
