

1.1 moves to amend H.F. No. 779, the second engrossment, as follows:

1.2 Page 6, after line 6, insert:

1.3 "Subd. 3. **Attestation.** (a) When a carrier notifies the commissioner of its intent to
1.4 be accredited, the carrier must submit an attestation providing the following information
1.5 on a form provided by the commissioner:

1.6 (1) the name of the accrediting entity, the date the application for certification was
1.7 submitted, and a copy of the application;

1.8 (2) the date when accreditation is expected to be completed; and

1.9 (3) a list of the content areas in which accreditation is being sought.

1.10 (b) The carrier must submit an annual status update to the commissioner on a form
1.11 provided by the commissioner. That status update shall demonstrate to the commissioner's
1.12 satisfaction that the carrier has made progress on becoming certified or has been certified.

1.13 (c) The commissioner shall propose to the legislature by December 15, 2013,
1.14 standards for carriers otherwise exempt from compliance with this section. Such standards
1.15 shall be aimed at ensuring all carriers doing business in Minnesota are engaged in
1.16 continuous improvement in the quality and efficiency of healthcare management."

1.17 Renumber the subdivisions in sequence

1.18 Amend the title accordingly
