1.4 "The Minnesota State Colleges and Universities chancellor, in consultation with the
1.5 commissioner, must establish, validate, and publish in an electronic or other readily
1.6 accessible format the minimum scores on the reading, math, and English sections of the
1.7 college entrance exam that demonstrate preparedness sufficient for a student to enroll in
1.8 a postsecondary certificate-level program or in a two-year or four-year postsecondary
1.9 degree granting program and have a reasonable chance to succeed in the program without
1.10 remediation. Students who successfully complete all state and local course work and
1.11 credits required for graduation by the school board granting the student the diploma and
1.12 who achieve the minimum reading, math, and English scores established by the chancellor
1.13 are eligible to receive a high school diploma."
