1.3 "Sec. 24. **REQUEST FOR INFORMATION; EMERGENCY MEDICAL**
1.4 **ASSISTANCE.**

1.5 (a) The commissioner of human services shall issue a request for information (RFI)
1.6 to identify and develop options for a program to provide emergency medical assistance
1.7 recipients with coverage for medically necessary services not eligible for federal financial
1.8 participation. The RFI must focus on providing coverage for non-emergent services
1.9 for recipients who have two or more chronic conditions and have had two or more
1.10 hospitalizations covered by emergency medical assistance in a one-year period.

1.11 (b) The RFI must be issued by August 1, 2013, and require respondents to submit
1.12 information to the commissioner by November 1, 2013. The RFI must request information
1.13 on:

1.14 (1) services necessary to reduce emergency department and inpatient hospital use for
1.15 emergency medical assistance recipients;

1.16 (2) methods of service delivery that promote efficiency and cost-effectiveness, and
1.17 provide statewide access;

1.18 (3) funding options for the services to be covered under the program;

1.19 (4) coordination of service delivery and funding with services covered under
1.20 emergency medical assistance;

1.21 (5) options for program administration; and

1.22 (6) methods to evaluate the program, including evaluation of cost-effectiveness and
1.23 health outcomes for those emergency medical assistance recipients eligible for coverage
1.24 of additional services under the program.

1.25 (c) The commissioner shall make information submitted in response to the RFI
1.26 available on the agency Web site. The commissioner, based on the responses to the RFI,
1.27 shall submit recommendations on providing emergency medical assistance recipients

2.1 with coverage for non-emergent services, as described in paragraph (a), to the chairs and
2.2 ranking minority members of the legislative committees with jurisdiction over health and
2.3 human services policy and finance, by January 15, 2014."

2.4 Renumber the sections in sequence and correct the internal references
