1.4 "Section 1. **DELIVERING HEALTH CARE THROUGH STATE PROGRAMS.**

1.5 Subdivision 1. **Plan submittal.** The commissioner of human services, in
1.6 consultation with the commissioners of health and commerce, shall develop and submit to
1.7 the legislature, by December 15, 2012, a plan to restructure and reform medical assistance,
1.8 MinnesotaCare, and other state health care programs. The plan must be designed to
1.9 maintain and improve health care access, quality, cost-effectiveness, and affordability,
1.10 in the event that the federal government makes significant changes in Medicaid service
1.11 delivery, eligibility, and financing.

1.12 Subd. 2. **Plan criteria.** The plan submitted by the commissioner must:

1.13 (1) provide for continuity of care and minimize any loss of health care access or
1.14 coverage;

1.15 (2) emphasize personal responsibility and involvement in making choices about
1.16 health care;

1.17 (3) provide patients and health care providers with financial incentives to use and
1.18 deliver health care services efficiently and achieve better health outcomes;

1.19 (4) incorporate innovative and effective health care delivery approaches, including
1.20 but not limited to approaches based on defined contributions to enrollees and a system
1.21 of coordinated care delivery models; and

1.22 (5) build upon, and be consistent with, recent state health care reform initiatives
1.23 related to improving health care quality and increasing transparency in health care."
