1.20 (b) "Appropriate licensing authority" means the state agency responsible for

1.21 licensing and discipline of a provider.

1.22 (c) "Commissioner" means the commissioner of commerce.

1.23 (d) "Medical services" means those services eligible for reimbursement under

1.24 section 65B.44, subdivision 2.

2.1 (e) "Provider of medical services" or "provider" means a person or entity that has

2.4 authority available, an appropriate licensing authority upon finding, after investigation

2.5 as provided in subdivision 5, or referral by the commissioner, that a provider engaged in

2.6 prohibited activities set forth in subdivision 4, may, by order:

2.7 (1) remove authorization for a provider of medical services to demand or request

2.8 payment under chapter 65B for medical services;

2.9 (2) impose an administrative penalty against a provider of medical services not

2.10 exceeding \$10,000 for each separate violation of engaging in the prohibited activities

2.11 set forth in subdivision 4. The amount of the administrative penalty is to be fixed as to

2.12 deprive the provider of medical services of any economic advantage gained by reason of

2.13 the violation, to reimburse the appropriate licensing authority for the cost of counsel,

2.14 investigation, and proceeding, and to discourage repeated violations;

2.15 (3) order restitution by the provider of medical services of any proceeds received

- 2.22 (3) prior offenses and repeated violations of the violator; and
- 2.23 (4) any other matter that the appropriate licensing authority considers appropriate
- 2.24 and relevant.
- 2.25 (b) If an administrative penalty is not paid after all rights of appeal have been
- 2.26 waived or exhausted, the appropriate licensing authority may bring a civil action in a court
- 2.27 of competent jurisdiction to collect the administrative penalty, including expenses and
- 2.28 litigation costs, reasonable attorney fees, and interest.
- 2.29 (c) This section does not affect the right to take any independent action to seek
- 2.30 recovery against a provider who violates this section.

- 3.16 the commissioner believes may have engaged in any of the prohibited activities set forth in
- 3.17 subdivision 4 together with a description of the grounds for inclusion on the list. Within 60
- 3.18 days of receipt of the list, the appropriate licensing authority must notify the commissioner
- 3.19 in writing of any action taken with respect to the provider of medical services, including

 3.28 and future gross income from inability to work proximately caused by the nonfatal  
 3.29 injury subject to a maximum of ~~\$250~~ \$500 per week. Loss of income includes the costs  
 3.30 incurred by a self-employed person to hire substitute employees to perform tasks which  
 3.31 are necessary to maintain the income of the injured person, which are normally performed  
 3.32 by the injured person, and which cannot be performed because of the injury.

3.33 (b) If the injured person is unemployed at the time of injury and is receiving or is  
 3.34 eligible to receive unemployment benefits under chapter 268, but the injured person loses  
 4.1 eligibility for those benefits because of inability to work caused by the injury, disability  
 4.2 and income loss benefits shall provide compensation for the lost benefits in an amount  
 4.3 equal to the unemployment benefits which otherwise would have been payable, subject to  
 4.4 a maximum of ~~\$250~~ \$500 per week.

4.5 (c) Compensation under this subdivision shall be reduced by any income from

4.9 (d) For the purposes of this section "inability to work" means disability which  
 4.10 prevents the injured person from engaging in any substantial gainful occupation or  
 4.11 employment on a regular basis, for wage or profit, for which the injured person is or may  
 4.12 by training become reasonably qualified. If the injured person returns to employment and  
 4.13 is unable by reason of the injury to work continuously, compensation for lost income shall  
 4.14 be reduced by the income received while the injured person is actually able to work. The  
 4.15 weekly maximums may not be prorated to arrive at a daily maximum, even if the injured  
 4.16 person does not incur loss of income for a full week.

4.17 (e) For the purposes of this section, an injured person who is "unable by reason of  
 4.18 the injury to work continuously" includes, but is not limited to, a person who misses time  
 4.19 from work, including reasonable travel time, and loses income, vacation, or sick leave

 5.9 benefits shall provide compensation for 85 percent of the injured person's loss of present  
 5.10 and future gross income from inability to work proximately caused by the nonfatal  
 5.11 injury subject to a maximum of ~~\$250~~ \$500 per week. Loss of income includes the costs  
 5.12 incurred by a self-employed person to hire substitute employees to perform tasks which  
 5.13 are necessary to maintain the income of the injured person, which are normally performed  
 5.14 by the injured person, and which cannot be performed because of the injury.

5.15 (b) If the injured person is unemployed at the time of injury and is receiving or is  
 5.16 eligible to receive unemployment benefits under chapter 268, but the injured person loses  
 5.17 eligibility for those benefits because of inability to work caused by the injury, disability  
 5.18 and income loss benefits shall provide compensation for the lost benefits in an amount  
 5.19 equal to the unemployment benefits which otherwise would have been payable, subject to  
 5.20 a maximum of ~~\$250~~ \$500 per week.

5.21 (c) Compensation under this subdivision shall be reduced by any income from  
 5.22 substitute work actually performed by the injured person or by income the injured person  
 5.23 would have earned in available appropriate substitute work which the injured person was  
 5.24 capable of performing but unreasonably failed to undertake.

5.25 (d) For the purposes of this section "inability to work" means disability which  
 5.26 prevents the injured person from engaging in any substantial gainful occupation or  
 5.27 employment on a regular basis, for wage or profit, for which the injured person is or may  
 5.28 by training become reasonably qualified. If the injured person returns to employment and  
 5.29 is unable by reason of the injury to work continuously, compensation for lost income shall  
 5.30 be reduced by the income received while the injured person is actually able to work. The  
 5.31 weekly maximums may not be prorated to arrive at a daily maximum, even if the injured  
 5.32 person does not incur loss of income for a full week.

5.33 (e) For the purposes of this section, an injured person who is "unable by reason of  
 5.34 the injury to work continuously" includes, but is not limited to, a person who misses time  
 5.35 from work, including reasonable travel time, and loses income, vacation, or sick leave  
 6.1 benefits, to obtain medical treatment for an injury arising out of the maintenance or use

4.26 Sec. 8. Minnesota Statutes 2012, section 65B.44, subdivision 6, is amended to read:

4.27 Subd. 6. **Survivors economic loss benefits.** Survivors economic loss benefits, in  
 4.28 the event of death occurring within one year of the date of the accident, caused by and  
 4.29 arising out of injuries received in the accident, are subject to a maximum of ~~\$200~~ \$500  
 4.30 per week and shall cover loss accruing after decedent's death of contributions of money  
 4.31 or tangible things of economic value, not including services, that surviving dependents  
 4.32 would have received from the decedent for their support during their dependency had the  
 4.33 decedent not suffered the injury causing death.

5.1 For the purposes of definition under sections 65B.41 to 65B.71, the following  
 5.2 described persons shall be presumed to be dependents of a deceased person: (a) a wife

 5.9 the existence and the extent of dependency shall be questions of fact, considering the  
 5.10 support regularly received from the deceased.

5.11 Payments shall be made to the dependent, except that benefits to a dependent who  
 5.12 is a child or an incapacitated person may be paid to the dependent's surviving parent or  
 5.13 guardian. Payments shall be terminated whenever the recipient ceases to maintain a status  
 5.14 which if the decedent were alive would be that of dependency.

5.15 Sec. 9. Minnesota Statutes 2012, section 65B.525, is amended by adding a subdivision  
 5.16 to read:

5.17 Subd. 3. **Awards.** The rules of court must provide that a party claiming economic  
 5.18 loss benefits shall appear at the arbitration proceeding to be awarded any benefits.

5.19 Sec. 10. Minnesota Statutes 2012, section 65B.54, subdivision 2, is amended to read:

6.7 Sec. 7. Minnesota Statutes 2012, section 65B.44, subdivision 6, is amended to read:

6.8 Subd. 6. **Survivors economic loss benefits.** Survivors economic loss benefits, in  
 6.9 the event of death occurring within one year of the date of the accident, caused by and

 6.11 per week and shall cover loss accruing after decedent's death of contributions of money  
 6.12 or tangible things of economic value, not including services, that surviving dependents  
 6.13 would have received from the decedent for their support during their dependency had the  
 6.14 decedent not suffered the injury causing death.

6.15 For the purposes of definition under sections 65B.41 to 65B.71, the following  
 6.16 described persons shall be presumed to be dependents of a deceased person: (a) a wife  
 6.17 is dependent on a husband with whom she lives at the time of his death; (b) a husband

 6.19 under the age of 18 years, or while over that age but physically or mentally incapacitated  
 6.20 from earning, is dependent on the parent with whom the child is living or from whom the  
 6.21 child is receiving support regularly at the time of the death of such parent; or (d) an actual  
 6.22 dependent who lives with the decedent at the time of the decedent's death. Questions of  
 6.23 the existence and the extent of dependency shall be questions of fact, considering the  
 6.24 support regularly received from the deceased.

6.25 Payments shall be made to the dependent, except that benefits to a dependent who  
 6.26 is a child or an incapacitated person may be paid to the dependent's surviving parent or  
 6.27 guardian. Payments shall be terminated whenever the recipient ceases to maintain a status  
 6.28 which if the decedent were alive would be that of dependency.

6.29 Sec. 8. Minnesota Statutes 2012, section 65B.525, subdivision 1, is amended to read:

6.30 Subdivision 1. **Mandatory submission to binding arbitration.** ~~Except as~~  
 6.31 ~~otherwise provided in section 72A.327,~~ The Supreme Court and the several courts of  
 6.32 general trial jurisdiction of this state shall by rules of court or other constitutionally  
 6.33 allowable device, provide for the mandatory submission to binding arbitration of all cases  
 7.1 at issue where the claim at the commencement of arbitration is in an amount of \$10,000  
 7.2 or less against any insured's reparation obligor for no-fault benefits or comprehensive or  
 7.3 collision damage coverage.

5.20 Subd. 2. **Interest on overdue payments.** Overdue payments shall bear simple  
5.21 interest at the rate of 15 percent per annum. Once an obligor has denied benefits from a  
5.22 specific provider, made a blanket denial of a type of benefits, or issued a general denial of  
5.23 benefits, interest is due on all overdue benefits within the scope of the denial, regardless  
5.24 of whether the insured or provider continues to provide ongoing proof of the fact and  
5.25 amount of each additional loss incurred.

5.26 Sec. 11. **[65B.541] WHISTLEBLOWERS.**

5.27 Subdivision 1. **Financial resources.** In any investigation or prosecution by the state,  
5.28 nothing shall prohibit an insurer from providing the financial resources necessary for  
5.29 conducting the investigation and prosecution.

5.30 Subd. 2. **Whistleblowers.** (a) Without limiting an insurer's right of full recovery of  
5.31 proceeds paid for services deemed noncompensable, the court may also award those sums  
5.32 deemed appropriate, but in no case more than 37 percent of proceeds to be recovered or  
5.33 saved by the insurer with respect to a particular runner, capper, or steerer, to a qualified  
6.1 person or entity (herein, "informant") who provides the primary specific evidence or  
6.2 information in support of one or more violations under this section, taking into account  
6.3 the significance of the evidence or information. For the purposes of this subdivision,  
6.4 informant shall not include any person or entity bringing an action under this section or  
6.5 acting on behalf of the news media.
