

COMMUNITY-BASED ADVOCATES PROVIDE LIFESAVING SUPPORT & SERVICES TO VICTIM/SURVIVORS OF INTIMATE PARTNER VIOLENCE, SEXUAL ASSAULT, & STALKING.

Their services are free, do not require a survivor to call 911 or involve systems, and available for as long as the survivor needs support - 24/7, 365 days a year - even after systems professionals cease to be involved.

To find your local community advocacy agency, visit www.vfmn.org/get-help or call the DayOne Hotline at (866) 223-1111
