Dear Chair Pinto and Committee Members:

My name is David Fhima and I'm a chef/owner at Fhimas Minneapolis. I am writing in support of HF 2225, which would provide ongoing funds to support the distribution of prepared meals to Minnesotans in need. We have partnered with Second Harvest Heartland through their Kitchen Coalition program since summer of 2020 and our team makes around 1500 meals each week to distribute in the Kitchen Coalition designated community. To date, we've prepared over 300,000 meals that have been served to people facing food insecurity. Our chefs tailor these meals to meet the cultural, religious, and dietary needs of the people we serve, knowing that too many of those facing food insecurity don't have the home, health, or ability to cook for themselves with food available at their local food shelf. We are proud and honored to help fill this gap in the emergency food landscape and know that our efforts are contributing to Minnesota's hunger fight. Our hope is that more kitchen partners like us will get the chance to take part in this work, and ongoing state funding would make that a reality. HF 2225 would allow organizations like Second Harvest Heartland to expand operations in the communities they serve, or even begin growing into new towns and cities across Minnesota where the greatest disparities in food insecurity exist. It is vital that this year's budget supports our state's emergency food system to help us end hunger in Minnesota. HF 2225 will ensure that every neighbor has a meal that's right for them. Thank you for your consideration of this bill and your support for Minnesotans experiencing food insecurity.

Sincerely,

David Fhima
