26	2847, amended	Noor	Governor’s proposal: evidence-based training for SUD treatment providers, supporting transition to ASAM standards.
27	2847, amended	Noor	Governor’s proposal: improving quality of SUD treatment and addressing administrative burdens; requiring nonresidential SUD treatment programs to enroll in federal demonstration project by January 1, 2025.

Section	Bill	Author	Description
28-30	2847, amended	Noor	Governor's proposal: opioid epidemic; family treatment start-up and capacity-building grants; safe recovery sites start-up and capacity-building grants; public awareness campaign.
31	2847, amended	Noor	Governor's proposal: opioid epidemic; requiring commissioner to revise payment methodology for substance use disorder services with medications for opioid use disorder.
32	2847, amended	Noor	Governor's proposal: evaluation of MA coverage for traditional healing, correctional facility behavioral health services, and contingency management.
33	2847, amended	Noor	Revisor instruction to renumber subdivisions.
34	2847, amended	Noor	Governor's proposal: Repealer. Treatment plan contents; SUD demonstration project rate for medium intensity residential programs; provisions governing the transfer of funds received by SUD facility operated by a state-operated regional treatment center or nursing home.

Article 4: Opioid Overdose Prevention and Opiate Epidemic Responses

Section	Bill	Author	Description
1	2847, amended	Noor	Governor's proposal: opioid epidemic; modifying requirements for deposits of opioid settlement funds by removing references to section 256.043, subd. 3, governing appropriations from the opioid settlement account.
2	2847, amended	Noor	Governor's proposal: opioid epidemic; requiring school districts or charter schools to maintain a supply of opiate antagonists.
3	2847, amended	Noor	Governor's proposal: opioid epidemic; deleting provision related to portion of reduced opioid registration fees to be deposited into opiate epidemic response fund.
4-6	2847, amended	Noor	Governor's proposal: opioid epidemic; corrections provisions.

Section	Bill	Author	Description
			Adding opioid overdose emergency procedures to guidance on minimum standards from commissioner of corrections; requiring community corrections programs to maintain a supply of opiate antagonists; requiring the provision of emergency opiate antagonist rescue kits for individuals with history of opioid use disorder upon release.
7	2847, amended	Noor	Governor's proposal: opioid epidemic; requiring licensed SUD providers to maintain a supply of opiate antagonists.
8	2847, amended	Noor	Governor's proposal: reducing disparities and addressing the opioid epidemic; adding members to Opiate Epidemic Response Advisory Council (OERAC) for each Minnesota Tribal Nation and two urban Indian communities.
9	2847, amended	Noor	Governor's proposal: reducing disparities and addressing the opioid epidemic; requiring at least 50% of OERAC grants to be awarded for projects focused on Black and Indigenous communities and communities of color.
10, 11	2847, amended	Noor	Governor's proposal: opioid epidemic. Modifying appropriations from registration and license fee account by adding appropriations for opiate antagonist distribution, traditional healing, and administrative costs. Making appropriations available for up to three years. Making appropriations from the settlement account available for up to three years.
12	2847, amended	Noor	Governor's proposal: opioid epidemic; site-based or group housing support settings to maintain a supply of opiate antagonists.
13	2847, amended	Noor	Governor's proposal: opioid epidemic; deleting opiate epidemic response fund base appropriation language.
14	2847, amended	Noor	Governor's proposal: opioid epidemic; opioid overdose surge text message alert system.
15	2847, amended	Noor	Governor's proposal: opioid epidemic; harm reduction and culturally specific grants.
16	2847, amended	Noor	Governor's proposal: opioid epidemic; repeals opioid registration fee sunset/reduction provision.

Article 5: Opioid Prescribing Improvement Program

Section	Bill	Author	Description
1-3	2847, amended	Noor	Governor's proposal: opioid prescribing improvement program (OPIP) modifications. Modifies DHS opioid prescribing improvement program by adding additional purpose, modifying definitions, and removing references to opioid disenrollment standards.
4	2847, amended	Noor	Governor's proposal: opioid prescribing improvement program (OPIP) modifications. Requires the DHS quality improvement program to be designed to support patient-centered care, and to discourage unsafe tapering practices and patient abandonment. Modifies quality improvement plan provider requirements. Requires the commissioner to dismiss a prescriber from participating in OPIP when the prescriber demonstrates that their practices are patient-centered and reflect community standards. Allows the commissioner to investigate providers whose prescribing practices fall within the applicable opioid sanction standards (instead of terminating or disenrolling providers).
5	2847, amended	Noor	Governor's proposal: opioid prescribing improvement program (OPIP) modifications. Establishes sanction standards for providers enrolled in medical assistance; lists sanctionable practices related to opioid prescribing or discontinuation.
6	2847, amended	Noor	Governor's proposal: opioid prescribing improvement program (OPIP) modifications. Allows the commissioner to impose sanctions against a vendor for violating standards defined by the Opioid Prescribing Work Group.

Article 6: Department of Direct Care and Treatment

Section	Bill	Author	Description
1-9	2847, amended	Noor	Governor's proposal: establishing Department of Direct Care and Treatment.

Section	Bill	Author	Description
			<p>Establishes new Department of Direct Care and Treatment, separating state-operated direct care and treatment services from the Department of Human Services. Specifies executive board requirements; the executive board will lead the new department.</p> <p>Outlines requirements for transfers of duties, authority, and employees. Provides for employee protections. Includes revisor instruction to prepare necessary statutory changes.</p>
