

**Subject** Statewide School Revenue Disparity Report

**Authors** Youakim

**Analyst** Tim Strom

**Date** March 18, 2024

## Overview

Each year, the Minnesota Department of Education prepares a report showing the disparity in revenue among Minnesota's school districts.

H.F. 4828 corrects an errant statutory cross reference in the section of statute requiring the report.

## Summary

Section	Description
---------	-------------

- |   |                                                                                       |
|---|---------------------------------------------------------------------------------------|
| 1 | <b>Statewide average revenue.</b><br>Corrects an incorrect statutory cross reference. |
