

# **The Service History of the Special Guerrilla Units (SGU)**

**Presented by the Special Guerrilla Units  
Veterans and Families of USA, Inc.**

Enclosed is a brief background of information on the establishment of our SGU and Families of USA, Inc. We, the members of this non-profit organization, are military veterans who provided arm-services to the United States of America during the Cold War era in Southeast Asia.

We served and fought on behalf of the United States inside Laos. We are proud to present you this synopsis of how the SGU was created by the United States' CIA to participate in the Secret War inside Laos, as part of the Vietnam War.
