Bill Description

Amends Minn. Stat., section 260C.212, subd. 1 to require a summary of case plan requirements for the parents or guardian, using simple language.

Assumptions

The Department would create and make available a template for local agencies to use. The Department assumes work to create this template would fall within the scope of duties of existing staff. There would not be a cost to this change.

The local agency must use the form template developed by the Department.

This template would not be part of SSIS.
