At the time a student applies for a scholarship and loan, the student shall be provided information about the fields of licensure needed by school districts in the part of the state within which the district receiving the joint grant is located. The information shall be acquired and periodically updated by the recipients of the joint grant. Information provided to students shall clearly state that scholarship and loan decisions are not based upon the field of licensure selected by the student.

Sec. 4. Minnesota Statutes 2014, section 122A.63, subdivision 6, is amended to read:

Subd. 6. Eligibility for scholarships and loans. The following American Indian people are eligible for scholarships:

Sec. 5. [122A.80] TEACHMN.

Subdivision 1. Definitions. (a) For purposes of this section, the following terms have the meanings given.

(b) "High needs area" means a high needs area as defined in the Department of Education biannual teacher supply and demand report under section 127A.05, subdivision 6, or other surveys conducted by the Department of Education that provide indicators for teacher supply and demand needs not captured by the teacher supply and demand report.

(c) "High needs school" means a school that:

(1) is a focus or priority school under the multiple measurement rating;

(2) has a concentration of students above the state average for free and reduced-price lunch; or

(3) is geographically isolated and experiencing a teacher shortage.

(d) "Qualified candidate" means a teacher candidate enrolled in a Minnesota teacher licensure program who meets the program eligibility requirements in subdivision 3 and in rules or procedures adopted under subdivision 7.

Unused funds appropriated to the Department of Education and transferred to the Office of Higher Education in a given fiscal year will be carried over for loans and program administrative costs in future years. Principal and interest payments on unforgiven loans shall be credited to the account and shall be carried over and do not cancel and may be used for administrative program costs not covered by the appropriated amount and for issuing new loans.

Subd. 3. Eligibility. A candidate may apply to the commissioner of the Office of Higher Education to receive a forgivable loan under this section. The commissioner must
award loans to candidates enrolling in programs in high needs areas and to candidates expressing interest in teaching in high needs schools based on shortages and geographical distribution, and must take into consideration diversifying the teacher workforce. The application must include a letter of support or character reference from a professional supervisor or colleague or academic professor who is not related to the applicant.

Subd. 4. **Loan requirements.** Interest accrues both during and after a borrower's postsecondary enrollment and is capitalized at the time of repayment. At the time of receiving the loan, a candidate must commit to seeking a qualified position in a Minnesota school district for four years upon completion of teacher preparation as a full-time teacher as verified through the Staff Automated Reporting (STAR) system. Candidates who do not complete the four-year service commitment may be required to repay the loan.

Subd. 5. **Usage.** The loan may only be used for tuition and related living and miscellaneous expenses required to complete teacher preparation and attain licensure.

Subd. 6. **Forgiveness and repayment.** (a) If a borrower's eligibility for the loan is based on the candidate's enrollment in a program in a high needs area, the borrower's student loan payment shall be deferred if the candidate completed the program and obtains a full-time position in that discipline. Upon completing four years of teaching in that discipline, the loan obligation shall be forgiven in the full amount of principal plus accrued interest. Except as allowed under paragraph (c), a student borrower has up to five years from graduation or school termination to fulfill the teaching obligation.
