Representative Dave Pinto, Committee Chair  
House Committee on Children and Families Finance and Policy  
503 State Office Building  
Saint Paul, MN 55101

Dear Chair Pinto and Members:

As Chief Justice of the Minnesota Supreme Court, I am writing in support of H.F. 4727, which, with the proposed delete-all amendment, would authorize a new Supreme Court Council on Child Protection to develop a comprehensive blueprint to improve Minnesota's child protection system.

This initiative represents a significant step forward in our shared commitment to enhancing the well-being of Minnesota's children. The multifaceted challenges facing our child protection system demand a comprehensive and coordinated response. The establishment of the Child Protection Council offers a unique opportunity to bring together expertise from across all branches of government and the community at large. This collaborative approach is crucial for identifying systemic shortcomings and implementing effective solutions that will safeguard the interests of our most vulnerable population.

I am particularly encouraged by the invitation extended to the Judicial Branch to lead this critical initiative. This gesture underscores a recognition of the integral role that the judiciary plays in the child protection ecosystem and affirms our shared responsibility to protect and promote the welfare of children in Minnesota.

I commend the Committee and Representative Pinto for their diligent work on the delete-all amendment to H.F. 4727 and for their foresight in proposing the establishment of the Child Protection Council. It is a testament to our collective commitment to making tangible improvements in the lives of children who depend on the integrity and efficacy of our child protection system.
