

1.1 moves to amend H.F. No. 2962, the first engrossment, as follows:

1.2 Page 4, after line 30, insert:

1.3 "Sec. 5. Minnesota Statutes 2016, section 151.253, is amended by adding a subdivision
1.4 to read:

1.5 Subd. 4. **Emergency veterinary compounding.** A pharmacist working in a pharmacy
1.6 licensed by the board in the veterinary pharmacy license category may compound and
1.7 provide a drug product to a veterinarian without first receiving a patient-specific prescription
1.8 only when:

1.9 (1) the compounded drug product is needed to treat an animal in an urgent or emergency
1.10 situation. For the purpose of this clause, "urgent or emergency situation" means a situation
1.11 where the health of an animal is threatened, or where suffering or death of an animal is
1.12 likely to result from failure to immediately treat;

1.13 (2) timely access to a compounding pharmacy is not available, as determined by the
1.14 prescribing veterinarian;

1.15 (3) there is no commercially manufactured drug approved by the United States Food
1.16 and Drug Administration that is suitable for treating the animal, or there is a documented
1.17 shortage of a commercially manufactured drug;

1.18 (4) the compounded drug is to be administered by a veterinarian or a bona fide employee
1.19 of the veterinarian or dispensed to a client of a veterinarian in an amount not to exceed what
1.20 is necessary to treat an animal for a period of ten days;

1.21 (5) the pharmacy has selected the sterile or nonsterile compounding license category,
1.22 in addition to the veterinary pharmacy licensing category; and

1.23 (6) the pharmacy is appropriately registered by the United States Drug Enforcement
1.24 Administration when providing compounded products that contain controlled substances."

2.1 Amend the title accordingly
