

Reduce Child Protection Paperwork

"Families only care about 1.5 pages of their 15 page case plan. We are writing these reports for family reunification"
-Case Manager

- 50% of Caseworker's Time
- Reports average about 500 Pages Per Case
- Duplicative & Redundant

The best predicator of a positive outcome for a child protection case is the worker's relationship with the family!

Reporting Effort

To Remedy This

Order DHS study to eliminate or make voluntary any data entry that is not mandated. Report back by fall 2023.

Streamline and promote CP technology that enhances (not hinders) work with individuals/households and technology

Modernize DHS Systems to streamline reporting, remove duplicative and repetitive data input and improve system performance.
