1.10	END-OF-LIFE OPTION ACT
1.11	Section 1. [145E.01] CITATION.
1.12	This chapter may be cited as the "End-of-Life Option Act."
1.13	EFFECTIVE DATE. This section is effective August 1, 2024.
1.14	Sec. 2. [145E.02] DEFINITIONS.
1.15	Subdivision 1. Application. For purposes of this chapter, the terms defined in this section
1.16	have the meanings given.
1.17	Subd. 2. Attending provider. "Attending provider" means the provider who has primary
1.18	responsibility for the care of the individual and treatment of the individual's terminal disease.
1.19	Subd. 3. Consulting provider. "Consulting provider" means a provider, other than an
1.20	individual's attending provider, who is qualified by specialty or experience to make a
1.21	professional diagnosis and prognosis regarding the individual's terminal disease.

Article 1 Sec. 2. 1

Subd. 4. Health care facility. "Health care facility" means a hospital, nursing home,
hospice facility, assisted living facility, any other entity governed by chapter 144 or 144A,
or a medical clinic. Health care facility does not include individual providers.
Subd. 5. Health plan. "Health plan" has the meaning given in section 62A.011,
subdivision 3.
Subd. 6. Informed decision. "Informed decision" means a decision by a qualified
individual to request and obtain a prescription for medical aid in dying medication pursuant
to this chapter, after being fully informed by the attending provider and consulting provider
as required under section 145E.15.
Subd. 7. Intentionally. "Intentionally" has the meaning given in section 609.02,
subdivision 9, clause (3).
Subd. 8. Licensed mental health consultant. "Licensed mental health consultant" means
one of the following, licensed by the profession's licensing board: psychiatrist, psychologist,
or clinical social worker.
Subd. 9. Medical aid in dying. "Medical aid in dying" means the practice by a provider
of evaluating a request, determining qualification, providing a prescription for medical aid
in dying medication to a qualified individual, and when permissible dispensing the
medication.
Subd. 10. Medical aid in dying medication. "Medical aid in dying medication" means
a medication prescribed and dispensed pursuant to this chapter that a qualified individual
may self-administer to bring about the qualified individual's peaceful death.
Subd. 11. Mentally capable. "Mentally capable" means the individual requesting medical
aid in dying medication has the ability to make an informed decision.
Subd. 12. Prognosis of six months or less. "Prognosis of six months or less" means
that a terminal disease will, within reasonable medical judgment, result in death within six
months.
Subd. 13. Provider. "Provider" means:
(1) a doctor of medicine or osteopathy licensed by the Minnesota Board of Medical
Practice pursuant to chapter 147; or
(2) an advanced practice registered nurse licensed by the Minnesota Board of Nursing
and certified by a national nurse certification organization acceptable to the board to practice
as a clinical nurse specialist or nurse practitioner pursuant to chapter 148.

3.1	Provider does not include a health care facility.
3.2	Subd. 14. Qualified individual. "Qualified individual" means an individual who meets
3.3	the criteria in section 145E.10, subdivision 1.
3.4	Subd. 15. Self-administer. "Self-administer" means the performance of an affirmative,
3.5	conscious, voluntary act to ingest medical aid in dying medication, including by means of
3.6	enteral administration. Self-administration does not include administration by intravenous
3.7	or other parenteral injection or by infusion.
3.8	Subd. 16. Terminal disease. "Terminal disease" means an incurable and irreversible
3.9	disease that will, within reasonable medical judgment, produce death within six months.
3.10	EFFECTIVE DATE. This section is effective August 1, 2024.
3.11	Sec. 3. [145E.05] INFORMED CONSENT; MEDICAL STANDARD OF CARE.
3.12	Subdivision 1. No limitation on provision of information. Nothing in this chapter
3.13	limits the information a provider must provide to an individual to comply with Minnesota
3.14	informed consent laws and the medical standard of care.
3.15	Subd. 2. Medical standard of care. (a) Medical care that complies with the requirements
3.16	of this chapter meets the medical standard of care.
3.17	(b) Nothing in this chapter exempts a provider or other medical personnel from meeting
3.18	medical standards of care for the treatment of an individual with a terminal disease.
3.19	EFFECTIVE DATE. This section is effective August 1, 2024.

3.20	Sec. 4. [145E.10] MEDICAL AID IN DYING MEDICATION; QUALIFICATION; REQUEST.
3.21	REQUEST:
3.22	Subdivision 1. Qualifications. Any individual may request medical aid in dying
3.23	medication. In order to obtain a prescription for medical aid in dying medication, the
3.24	individual must:
3.25	(1) be 18 years of age or older;
3.26	(2) be mentally capable, as determined according to section 145E.15;
3.27	(3) have a terminal disease with a prognosis of six months or less;
3.28	(4) not be subject to guardianship or conservatorship; and
3.29	(5) request a prescription for medical aid in dying medication according to the process

3.30

in subdivision 2, from an attending provider who meets the requirements in section 145E.15,

4.1	subdivision 1, and a consulting provider who meets the requirements in section 145E.15,
4.2	subdivision 2.
4.3	No individual is a qualified individual solely because of advanced age or disability.
4.4	Subd. 2. Request process. (a) An individual seeking medical aid in dying medication
4.5	must make one oral request and one written request to the individual's attending provider
4.6	and one oral request to the consulting provider. The written request must be in substantially
4.7	the form specified in subdivision 4, and witnessed by an individual meeting the requirements
4.8	of subdivision 3.
4.9	(b) Oral and written requests for medical aid in dying medication may be made only by
4.10	the individual who will self-administer the medication. A request for medical aid in dying
4.11	medication shall not be made by the individual's guardian, conservator, surrogate
4.12	decision-maker, health care proxy, or attorney-in-fact for health care, nor via advance health
4.13	care directive.
4.14	(c) For an individual seeking medical aid in dying medication who has difficulty with
4.15	oral communication, the following may qualify as an oral request:
4.16	(1) use of written materials;
4.17	(2) use of technology-assisted communication;
4.18	(3) use of an interpreter; or
4.19	(4) use of other assistance with communication consistent with Title III of the Americans
4.20	with Disabilities Act.
4.21	Subd. 3. Witness. The witness to a written request for medical aid in dying medication
4.22	must be 18 years of age or older and at the time the request is signed must not be:
4.23	(1) a relative by blood, marriage, or adoption of the requesting individual;
4.24	(2) entitled to any portion of the estate of the requesting individual upon the requesting
4.25	individual's death, under any will or by operation of law;
4.26	(3) an owner, operator, or employee of a health care facility or provider where the
4.27	requesting individual is receiving medical treatment or is a resident;
4.28	(4) the requesting individual's attending provider; or
4.29	(5) serving as an interpreter for the requesting individual.
4.30	Subd. 4. Written request. In order to be valid, a written request for medical aid in dying
4.31	medication must be in substantially the form below, must be signed and dated by the

.1	individual seeking medical aid in dying medication, and must be witnessed by at least one
.2	individual meeting the requirements of subdivision 3 who, in the presence of the individual
.3	seeking medical aid in dying medication, attests that to the best of the witness's knowledge
.4	and belief the individual seeking medical aid in dying medication is mentally capable, acting
.5	voluntarily, and is not being coerced nor unduly influenced to sign the request.
.6	Request for Medication to End My Life in a Peaceful Manner
.7	I,, am an adult of sound mind. I have been diagnosed
.8	with and given a prognosis of six months or less to
)	live. I have been fully informed of the feasible alternative, concurrent, or additional treatment
0	opportunities for my terminal disease, including but not limited to comfort care, palliative
1	care, hospice care, or pain control, and of the potential risks and benefits of each. I have
	been offered and received resources or referrals to pursue these alternative, concurrent, or
3	additional treatment opportunities for my terminal disease.
ļ	I have been fully informed of the nature, risks, and benefits of the medication to be
	prescribed, including that the likely outcome of self-administering the medication is death.
	I understand that I can rescind this request at any time and that I am under no obligation to
	fill the prescription once written, nor to self-administer the medication if I obtain it.
	I request that my attending provider furnish a prescription for medication that will end
	my life in a peaceful manner if I choose to self-administer it, and I authorize my attending
	provider to contact a pharmacist to dispense the prescription.
	I make this request voluntarily, free from coercion or undue influence, and attest that
	no one has attempted, by deception, intimidation, or other means, to cause me to request
	this prescription.

Sec. 5. [145E.15] RESPONSIBILITIES OF ATTENDING PROVIDER,
CONSULTING PROVIDER, LICENSED MENTAL HEALTH CONSULTANT, AND
PHARMACIST.
Subdivision 1. Attending provider responsibilities. (a) If an individual requests a
prescription for medical aid in dying medication from the individual's attending provider,
the attending provider must:
(1) determine whether the individual has a terminal disease with a prognosis of six
months or less;
(2) determine whether the individual is mentally capable or refer the individual for
confirmation of mental capability in accordance with subdivision 3;
(3) confirm that the individual's request does not arise from coercion or undue influence
by asking the individual outside the presence of other persons, except for an interpreter as
necessary, whether anyone has attempted, by deception, intimidation, or other means, to
cause the individual to request this prescription;
(4) inform the individual of:
(i) the individual's diagnosis;
(ii) the individual's prognosis;

7.1	(iii) the potential risks and benefits and the probable result of self-administering medical
7.2	aid in dying medication;
7.3	(iv) feasible end-of-life care and treatment options for the individual's terminal disease,
7.4	including but not limited to alternative, concurrent, or additional treatment options, comfort
7.5	care, palliative care, hospice care, and pain control, and the potential risks and benefits of
7.6	each; and
7.7	(v) the individual's right to rescind the request for medical aid in dying medication, or
7.8	consent for any other treatment, at any time and in any manner;
7.9	(5) inform the individual that there is no obligation to fill the prescription nor an
7.10	obligation to self-administer the medical aid in dying medication, if the medication is
7.11	obtained;
7.12	(6) offer the individual the opportunity to rescind the individual's request for medical
7.13	aid in dying medication;
7.14	(7) provide the individual with a referral for comfort care, palliative care, hospice care,
7.15	pain control, or other end-of-life treatment options as requested or as clinically indicated;
7.16	(8) refer the individual to a consulting provider for completion of the requirements in
7.17	subdivision 2;
7.18	(9) inform the individual of the benefits of notifying the individual's next of kin or other
7.19	important person of the individual's decision to request medical aid in dying medication;
7.20	(10) educate the individual on:
7.21	(i) the recommended procedure for self-administering the medical aid in dying medication
7.22	to be prescribed;
7.23	(ii) proper safekeeping and disposal of the medical aid in dying medication in accordance
7.24	with state and federal law;
7.25	(iii) the importance of having another person present when the individual self-administers
7.26	the medical aid in dying medication; and
7.27	(iv) not self-administering the medical aid in dying medication in a public place. For
7.28	purposes of this item, a health care facility is not considered a public place;
7.29	(11) document in the individual's medical record the individual's diagnosis and prognosis,
7.30	the attending provider's determination of mental capability or referral for confirmation of
7.31	mental capability by a licensed mental health consultant, the dates of all oral requests, a

8.1	copy of the written request, and a notation that the requirements under this subdivision have
8.2	been met; and
8.3	(12) include in the individual's medical record the consulting provider's written
8.4	confirmation that the requirements of subdivision 2 have been met and, if applicable, the
8.5	licensed mental health consultant's written determination.
8.6	(b) Upon the attending provider's completion of the steps in paragraph (a), the consulting
8.7	provider's completion of the steps in subdivision 2, and if applicable, the licensed mental
8.8	health consultant's completion of the steps in subdivision 3, the attending provider is
8.9	authorized to prescribe medical aid in dying medication and any ancillary medications for
8.10	the qualified individual. The attending provider must:
8.11	(1) deliver the prescription personally, by mail, or as an electronic order to a licensed
8.12	pharmacist; or
8.13	(2) if authorized by the Drug Enforcement Administration, dispense medical aid in dying
8.14	medication and any ancillary medications to the qualified individual or to an individual
8.15	expressly designated in person by the qualified individual to receive the medications.
8.16	(c) Upon prescribing medical aid in dying medication and any ancillary medications for
8.17	the qualified individual, the attending provider must identify the prescribed medications in
8.18	the qualified individual's medical record.
8.19	Subd. 2. Consulting provider qualifications and responsibilities. (a) If the attending
8.20	provider is not a doctor of medicine or osteopathy licensed by the Minnesota Board of
8.21	Medical Practice pursuant to chapter 147, the consulting provider must be a doctor of
8.22	medicine or osteopathy licensed by the Minnesota Board of Medical Practice pursuant to
8.23	chapter 147.
8.24	(b) Upon receiving a referral from an attending provider of an individual seeking medical
8.25	aid in dying medication, a consulting provider must:
8.26	(1) medically evaluate the individual and the individual's relevant medical records;
8.27	(2) determine whether the individual is mentally capable or refer the individual for
8.28	confirmation of mental capability in accordance with subdivision 3;
8.29	(3) confirm that the individual's request does not arise from coercion or undue influence
8.30	by asking the individual outside the presence of other persons, except for an interpreter as
8.31	necessary, whether anyone has attempted, by deception, intimidation, or other means, to
8.32	cause the individual to request this prescription;

(4) inform the individual of:	
(i) the individual's diagnosis and prognosis;	
(ii) feasible end-of-life care and treatment options for the individual's termin	al disease
including but not limited to alternative, concurrent, or additional treatment option	ns, comfor
care, palliative care, hospice care, and pain control, and the risks and benefits of	f each;
(iii) the potential risk associated with taking medical aid in dying medication	<u>1;</u>
(iv) the probable result of taking medical aid in dying medication; and	
(v) the individual's right to rescind a request for medical aid in dying medical consent for any other treatment, at any time;	ation, or
(5) if so determined by the consulting provider, provide written confirmation	n to the
attending provider that:	
(i) the individual has made an oral request to the consulting provider for med	dical aid in
lying medication;	
(ii) the individual has a terminal disease with prognosis of six months or less	<u>s;</u>
(iii) the individual is mentally capable or provide documentation that the con	nsulting
provider has referred the individual for further evaluation in accordance with su	bdivision
3; and	
(iv) the individual's request for medical aid in dying medication does not ari	se from
coercion or undue influence; and	
(6) offer the individual an opportunity to rescind the request.	
Subd. 3. Referral for confirmation of mental capability. (a) If either the a	ttending
provider or the consulting provider is unable to confirm that the individual requ	esting
medical aid in dying medication is mentally capable, the attending provider or c	onsulting
provider who cannot determine mental capability must refer the individual to a	licensed
mental health consultant for a determination of mental capability.	_
(b) The licensed mental health consultant who evaluates the individual unde	r this
subdivision must submit to the requesting provider a written determination of w	
individual is mentally capable.	nether the
(c) If the licensed mental health consultant determines that the individual is no	ot mentalls
capable, the individual is not a qualified individual, and the attending provider in	
prescribe medical aid in dying medication to the individual.	

10.1	Subd. 4. Pharmacist responsibilities. A pharmacist who receives a prescription for
10.2	medical aid in dying medication may dispense the medication and any ancillary medications
10.3	to the attending provider, to the qualified individual, or to an individual expressly designated
10.4	in person by the qualified individual. If dispensed, the medical aid in dying medication and
10.5	any ancillary medications must be dispensed in person or, with a signature required on
10.6	delivery, by mail service, common carrier, or messenger service.
10.7	Subd. 5. No duty to provide medical aid in dying. (a) A provider must provide sufficient
10.8	information to an individual with a terminal disease regarding available options, the
10.9	alternatives, and the foreseeable risks and benefits of each so that the individual is able to
10.10	make informed decisions regarding the individual's end-of-life health care.
10.11	(b) A provider may choose whether or not to practice medical aid in dying.
10.12	(c) If a provider is unable or unwilling to fulfill an individual's request for medical aid
10.13	in dying medication or to provide related information or services requested by the individual,
10.14	the provider must, upon request, transfer the individual's care and medical records to a new
10.15	provider consistent with federal and Minnesota law.
10.16	(d) A provider must not engage in false, misleading, or deceptive practices relating to
10.17	the provider's willingness to qualify an individual or to provide a prescription to a qualified
10.18	individual for medical aid in dying medication. A provider who intentionally violates this
10.19	paragraph is guilty of a gross misdemeanor and may also be subject to disciplinary action
10.20	by the provider's licensing board.
10.21	Subd. 6. No duty to fill a medical aid in dying medication prescription. (a) A
10.22	pharmacist may choose whether or not to fill a prescription for medical aid in dying
10.23	medication.
10.24	(b) A pharmacist must not engage in false, misleading, or deceptive practices relating
10.25	to the pharmacist's willingness to fill a prescription for medical aid in dying medication. A
10.26	pharmacist who intentionally violates this paragraph is guilty of a gross misdemeanor and
10.27	may also be subject to disciplinary action by the Board of Pharmacy.
10.28	EFFECTIVE DATE. Subdivisions 1 to 4; 5, paragraphs (a) to (c); and 6, paragraph
10.29	(a), are effective August 1, 2024. Subdivision 5, paragraph (d), and subdivision 6, paragraph

10.30

(b), are effective August 1, 2024, and apply to crimes committed on or after that date.

Sec. 7. [145E.25] HEALTH CARE FACILITIES; PERMISSIBLE PROHIBITIONS 11.6 AND DUTIES.

- Subdivision 1. Facility policies. (a) A health care facility may prohibit providers or pharmacists from qualifying individuals or prescribing or dispensing medical aid in dying medication while performing duties for the facility. A prohibiting health care facility must give providers and pharmacists advance written notice of this policy at the time of hiring, contracting with, or privileging the provider or pharmacist.
- (b) No health care facility shall prohibit a provider or pharmacist from fulfilling the requirements of informed consent and meeting the standard of medical care by:
- (1) providing information to an individual regarding the individual's health status, including but not limited to diagnosis, prognosis, recommended treatment, treatment alternatives, and any potential risks to the individual's health;
- (2) providing information about available services, relevant community resources, and how to access those resources to obtain the care of the individual's choice; or
- (3) providing information regarding health care services available under this chapter, information about relevant community resources, and information about how to access those resources for obtaining care of the individual's choice.
- Subd. 2. Timely transfer. If an individual wishes to transfer care to another health care 11.23 11.24 facility, the facility currently providing care to the individual shall coordinate a timely transfer to the new facility, including transfer of the individual's medical records. 11.25
 - Subd. 3. False, misleading, or deceptive practices prohibited. In accordance with section 144.651, a health care facility shall not engage in false, misleading, or deceptive practices relating to its policy with respect to medical aid in dying, including:
- (1) whether it has a policy which prohibits affiliated providers or pharmacists from 11.29 determining an individual's qualification for medical aid in dying or from prescribing or 11.30 dispensing medical aid in dying medication to a qualified individual; or 11.31

12.1	(2) intentionally denying an individual access to medical aid in dying medication by
12.2	failing to transfer an individual and the individual's medical records to another provider or
12.3	health care facility in a timely manner.
12.4	Subd. 4. Conflict. If any part of this section is found to conflict with federal requirements
12.5	which are a required condition to the receipt of federal funds by a health care facility or the
12.6	state, the conflicting part of this section is inoperative solely to the extent of the conflict
12.7	with respect to the facility directly affected, and such finding or determination shall not
12.8	affect the operation of the remainder of this chapter.
12.9	EFFECTIVE DATE. This section is effective August 1, 2024.
12.10	Sec. 8. [145E.30] IMMUNITIES FOR ACTIONS IN GOOD FAITH; PROHIBITION
12.11	AGAINST REPRISALS.
12.12	(a) No individual, including no provider, pharmacist, licensed mental health consultant,
12.13	or hospice provider employee, shall be subject to civil or criminal liability or professional
12.14	disciplinary action, including censure, suspension, loss of license, loss of privileges, or any
12.15	other penalty for engaging in good faith compliance with this chapter.
12.16	(b) No provider or health care facility shall subject a provider, pharmacist, or licensed
12.17	mental health consultant to discharge, demotion, censure, discipline, suspension, loss of
12.18	license, loss of privileges, discrimination, or any other penalty for:
12.19	(1) providing medical aid in dying in accordance with the standard of care and in good
12.20	faith under this chapter while engaged in the outside practice of the individual's profession
12.21	and off the facility premises;
12.22	(2) providing scientific and accurate information about medical aid in dying to an
12.23	individual when discussing end-of-life care options; or
12.24	(3) choosing not to practice or participate in medical aid in dying.
12.25	(c) No individual shall be subject to civil or criminal liability or professional disciplinary
12.26	action if, at the request of the qualified individual, the individual is present outside the scope
12.27	of their employment contract and off the facility premises when the qualified individual
12.28	self-administers medical aid in dying medication or at the time of death. An individual who
12.29	is present may, without civil or criminal liability, assist the qualified individual by preparing
12.30	the medical aid in dying medication, including opening medication containers, measuring
12.31	the medication, or preparing an enteral dispenser containing the medication. The assisting
12.32	individual is not permitted to assist the qualified individual by administering a prepared
12.33	enteral dispenser to the qualified individual.

(d) The following acts do not constitute neglect or elder abuse and are not a basis for
appointment of a guardian or conservator:
(1) a request by an individual for medical aid in dying medication; or
(2) the provision of medical aid in dying medication.
(e) A failure by a provider or a licensed mental health consultant to confirm that an
individual requesting medical aid in dying medication is mentally capable is not a basis fo
appointment of a guardian or conservator.
(f) This section does not limit civil liability for intentional or negligent misconduct.
EFFECTIVE DATE. This section is effective August 1, 2024.
Sec. 9. [145E.35] REPORTING REQUIREMENTS.
Subdivision 1. Forms. The commissioner of health must develop and maintain an
attending provider checklist form and attending provider follow-up form to facilitate the
collection of the information described in this section. The commissioner must post the
forms on the Department of Health website. Failure by the commissioner to develop the
attending provider checklist form and attending provider follow-up form shall not delay the
effective date of this chapter and shall not relieve an attending provider of the responsibility
to submit the information in subdivision 2 or 3, as applicable, to the commissioner of health
Subd. 2. Attending provider checklist form; submission requirements. Within 30
calendar days after providing a prescription for medical aid in dying medication, the attending
provider must submit to the Department of Health an attending provider checklist form with
the following information:
(1) the qualified individual's name and date of birth;
(2) the qualified individual's terminal diagnosis and prognosis;
(3) notice that the requirements under section 145E.15 were completed; and
(4) notice that the attending provider prescribed medical aid in dying medication to the
qualified individual.
Subd. 3. Attending provider follow-up form; submission requirements. Within 60
calendar days after receiving notice of a qualified individual's death from self-administration
of medical aid in dying medication prescribed by the attending provider, the attending
provider must submit to the Department of Health an attending provider follow-up form
with the following information:

14.1	(1) the qualified individual's name and date of birth;
14.2	(2) the date of the qualified individual's death; and
14.3	(3) an annotation of whether or not the qualified individual was enrolled in hospice
4.4	services at the time of the qualified individual's death.
14.5	Subd. 4. Review of forms; annual report. (a) Effective August 1, 2024, through July
14.6	31, 2028, the commissioner of health must annually review all of the forms submitted under
14.7	this section to ensure completeness, timeliness, and accuracy of submitted forms. Effective
14.8	August 1, 2028, the commissioner of health must annually review a sample of the forms
14.9	submitted under this section to ensure completeness, timeliness, and accuracy of submitted
14.10	<u>forms.</u>
14.11	(b) The commissioner of health must annually issue a public report with summary data
14.12	on the following for the most recent reporting period:
14.13	(1) the number of prescriptions for medical aid in dying medication provided;
14.14	(2) the number of providers who provided prescriptions for medical aid in dying
14.15	medication; and
14.16	(3) the number of qualified individuals who died following self-administration of medica
14.17	aid in dying medication.
14.18	(c) For purposes of this subdivision, "summary data" has the meaning given in section
14.19	13.02, subdivision 19.
14.20	Subd. 5. Data practices. Information submitted to the commissioner of health under
14.21	subdivision 2 or 3 is classified as private data on individuals as defined in section 13.02,
14.22	subdivision 12.
14.23	Subd. 6. Enforcement. The commissioner of health may enforce this section using the
14.24	powers and authority in sections 144.989 to 144.993.
14.25	EFFECTIVE DATE. This section is effective August 1, 2024.
14.26	Sec. 10. [145E.40] EFFECT ON CONSTRUCTION OF WILLS AND CONTRACTS
14.27	(a) No provision in a contract, will, or other agreement, whether written or oral, that
14.28	would determine whether an individual may make or rescind a request for medical aid in
14.29	dying medication is valid.

) No obligation owing under any currently existing contract shall be conditioned on
	ected by an individual's act of making or rescinding a request for medical aid in dying cation.
<u>E</u> 1	FFECTIVE DATE. This section is effective August 1, 2024.
Sec	. 11. [145E.45] INSURANCE OR ANNUITY POLICIES.
<u>(a)</u>) The sale, procurement, or issuance of a life, health, or accident insurance or annuity
policy	y or the rate charged for a policy shall not be conditioned on or affected by an
indivi	idual's act of making or rescinding a request for medical aid in dying medication.
<u>(b</u>) A qualified individual's act of self-administering medical aid in dying medication
does 1	not invalidate any part of a life, health, or accident insurance or annuity policy.
<u>(c</u>) An insurer, or the commissioner of human services when delivering services under
medic	cal assistance or MinnesotaCare through managed care or fee-for-service, must not
deny	or alter health care benefits otherwise available to an individual with a terminal disease
who i	s an enrollee of the health plan based on the availability of medical aid in dying, the
indivi	idual's request for medical aid in dying medication, or the absence of a request for
medic	cal aid in dying medication.
<u>(d</u>) An insurer must not attempt to coerce an individual with a terminal disease to request
medic	cal aid in dying medication.
<u>E</u>]	FFECTIVE DATE. This section is effective August 1, 2024.
Sec	. 12. [145E.50] DEATH RECORD.
<u>(a</u>) Notwithstanding any other provision of law, the attending provider may sign the
death	record of a qualified individual who obtained and self-administered medical aid in
dying	medication.
<u>(b</u>) When a qualified individual dies after self-administering medical aid in dying
medic	cation:
<u>(1</u>) the cause of death on the qualified individual's death record shall be attributed to the
qualif	fied individual's underlying terminal disease; and
<u>(2</u>) the death shall not be designated on the death record as a suicide or homicide.
<u>(c</u>) Death of an individual after self-administration of medical aid in dying medication
does 1	not alone constitute grounds for postmortem inquiry. A coroner or medical examiner

Section 1. Minnesota Statutes 2023 Supplement, section 61A.031, is amended to read:

61A.031 SUICIDE PROVISIONS.

- (a) The sanity or insanity of a person shall not be a factor in determining whether a person committed suicide within the terms of an individual or group life insurance policy regulating the payment of benefits in the event of the insured's suicide. This paragraph shall not be construed to alter present law but is intended to clarify present law.
- (b) A life insurance policy or certificate issued or delivered in this state may exclude or restrict liability for any death benefit in the event the insured dies as a result of suicide within one year from the date of the issue of the policy or certificate. Any exclusion or restriction shall be clearly stated in the policy or certificate. Any life insurance policy or certificate which contains any exclusion or restriction under this paragraph shall also provide that in the event any death benefit is denied because the insured dies as a result of suicide within one year from the date of issue of the policy or certificate, the insurer shall refund all premiums paid for coverage providing the denied death benefit on the insured. An exclusion or restriction authorized under this paragraph shall not apply in the event the insured dies due to self-administration of medical aid in dying medication obtained in accordance with chapter 145E.

EFFECTIVE DATE. This section is effective August 1, 2024.
