Subject Funding for professional development for child care providers

Authors Keeler and others

Analyst Annie Mach

Date March 22, 2024

Summary

The bill, as amended, appropriates an unspecified amount in fiscal year 2025 to the Department of Human Services for distribution to Child Care Aware to coordinate professional development opportunities for child care providers that are related to obtaining a child development associate, or CDA, credential. The appropriation is onetime and is available through June 30, 2026.
