

Written Testimony of Nancy McLaughlin on HF1163

Thank you for your service to our state.

I urge you to support the legislation that restores drivers licenses for all including undocumented immigrants. As you know many undocumented immigrants have lived here for years and have jobs and children. Many immigrants work second and third shift jobs with no access to transportation. Local businesses have long relied on immigrants and support ways of making it easier for them to get to work. Passing this legislation would be a win for the business community and our economy as well as for our immigrant community.

Thank you for your consideration,

Nancy McLaughlin
