

**Subject** Soil and Water Conservation Districts

**Authors** Marquart

**Analyst** Janelle Taylor

**Date** February 19, 2021

## Summary

This bill would increase the maximum amount of compensation a soil and water conservation district (SWCD) supervisor could receive per day from \$75 per day to \$125 per day.

SWCDs are political subdivisions of the state with the purpose of conserving soil, water, and related natural resources on private land. An SWCD is generally governed by a five-member board of supervisors elected by the citizens of the county.
