To Whom It May Concern,

WOW, this would be awesome for my center, we currently pay over \$8,000.00 a month in rent. If this was to become law, we could receive a refund to help with big ticket item replacements such as a washer & dryer. It would then free up dollars for additional training at no cost to staff as required by DHS. In order to retain and support staff we have cut back on equipment purchases. As a center that provides care for over 100 "littles" a day, our 53 years are showing!!! I truly wish I could testify but my husband has a doctor's appointment in Duluth on that day. Let me know if there is anything that I could do from a distance.

Thanks for the heads – up.
