Rep. Koegel announces support of Gov. Dayton’s emergency school aid proposal

St. Paul, Minn. – Following the announcement of Gov. Dayton’s proposal to provide \$138 million in one-time, emergency funding for Minnesota school districts, Rep. Erin Koegel, DFL-Spring Lake Park, released the following statement:

“School districts across Minnesota are coming face to face with cuts that could impact the quality of education we deliver to students in our community. The Anoka-Hennepin School District is facing these cuts and the emergency funding would help continue our tradition of excellent education.

“These funds amount to an additional \$126 for every student in Minnesota. This proposal deserves support across party lines.”

Funding increase per school district under Gov. Dayton’s proposal:

Anoka-Hennepin School District
\$5.7 million

Spring Lake Park School District
\$860,375
