Section

1 Comprehensive plan to end HIV/AIDS. Directs the commissioner of health to work with the commissioner of human services and stakeholders to develop a statewide, comprehensive plan of priorities and actions to address HIV/AIDS in Minnesota. Allows the commissioner to develop the plan as part of existing department activities. Requires the plan to:

- determine the levels of testing, care, and services necessary to eliminate HIV, and specifies initial outcomes that must be met;
- provide recommendations for how to use existing funds to make the greatest impact and ensure a coordinated statewide effort;
- provide recommendations for new and enhanced interventions, and additional resources needed for these interventions; and
- be developed using existing resources

Directs the commissioner to submit the comprehensive plan and recommendations to the chairs and ranking minority members of the legislative committees with jurisdiction over HHS policy and finance, by February 1, 2018.
