

Chapter 35

2019 Regular Session

Subject Highway work zones

Analyst Matt Burress (matt.burress@house.mn)

Date June 4, 2019

Overview

This act allows a peace officer to stop a vehicle and issue the driver a citation for a traffic violation in a work zone after a report of the violation is provided by a qualified work zone flagger. The authority applies during a period of four hours after the incident. The officer need not directly observe the violation.

It is effective August 1, 2019.
