   **Subd. 5. Funding.** Allows the library board to levy a tax of up to $25,000 annually for taxes payable in 2000 and 2001 only, instead of 1998 and 1999 only, on property located within the geographical boundaries of the Nashwauk-Keewatin school district, except the city of Keewatin.
   
   **Subd. 10. Report.** Strikes language requiring the library board to report to the department of children, families and learning by February 1, 1999, on library costs and patrons served.
