Overview

This bill appropriates continuing funding for productive day initiative programs operated by community corrections agencies.

1  Appropriations; department of corrections.

Subd. 1. Definition. Defines productive day initiative programs to mean a program designed to motivate sentenced offenders in local correctional facilities to develop basic life and work skills through training and education, thereby creating opportunities for offenders to achieve more successful integration into the community upon their release.

Subd. 2. Productive day initiative program; Dodge-Fillmore-Olmsted community corrections. Appropriates an unspecified amount from the general fund to the commissioner of corrections for the fiscal biennium ending June 30, 2001, for the Dodge-Fillmore-Olmsted productive day initiative program.

Subd. 3. Productive day initiative program; Arrowhead regional community corrections. Appropriates an unspecified amount from the general fund to the commissioner of corrections for the fiscal biennium ending June 30, 2001, for the Arrowhead regional productive day initiative program.

Subd. 4. Productive day initiative program; Ramsey county community corrections. Appropriates an unspecified amount from the general fund to the commissioner of corrections for the fiscal biennium ending June 30, 2001, for the Ramsey county productive day initiative program.

Subd. 5. Productive day initiative program; Hennepin county community corrections. Appropriates an unspecified amount from the general fund to the commissioner of corrections for the fiscal biennium ending June 30, 2001, for the Hennepin county productive day initiative program.
