Overview

This bill removes from statute the requirement that an applicant for a license to practice medicine must appear in person before the board to show that the applicant satisfies the licensure requirements for physicians.

1 United States or Canadian medical school graduates. Amends § 147.02, subd. 1. In a subdivision establishing licensing requirements to practice medicine for applicants who graduated from U.S. or Canadian medical schools, deletes a paragraph requiring an applicant to make arrangements to appear in person before the board to show that the applicant satisfies the licensing requirements of that section.

2 Endorsement; reciprocity. Amends § 147.03, subd. 1. Modifies cross-references in a subdivision establishing licensing requirements for applicants licensed in other jurisdictions seeking licensure by endorsement or reciprocity to practice medicine, with the effect that these applicants no longer need to appear in person before the board.

3 Requirements. Amends § 147.037, subd. 1. Modifies cross-references in a subdivision establishing licensing requirements for applicants for licensure to practice medicine who are graduates of foreign medical schools, with the effect that these applicants no longer need to appear in person before the board.
