Overview

The Achievement Plus program is a partnership among the Wilder Foundation, the city of St. Paul, the St. Paul School District, Ramsey County, the state of Minnesota and the East Side YMCA. The partnership was legislatively created in 1995.

Achievement Plus currently operates two elementary schools in St. Paul; Monroe, and Dayton's Bluff. The partnership is currently constructing and preparing to staff a new school building on the East Side of St. Paul.

In 1998, the legislature approved a capital grant of $9,450,000 to the Achievement Plus partnership for the East Side Community School. H.F. 2775 requests an additional $5,200,000 in capital funding to complete the East Side school.

1 **Appropriation.** Appropriates $5,200,000 from the bond proceeds fund to independent school district No. 625, St. Paul, to complete construction of a new Achievement Plus facility. Authorizes the sale of state general obligation bonds to make the grant for completion of the Achievement plus facility.

2 **Effective date.** Makes section 1 effective the day following final enactment.
