Overview

H.F. 2951 authorizes $13,427,000 in general obligation bonds for maintenance and repair projects on the campuses of Minnesota veterans nursing homes.

1 Appropriation and allocation.

Subdivision 1. Appropriation. Appropriates $13,427,000 from the bond proceeds fund to the veterans nursing homes board for the purposes listed in subdivisions 2 through 5.

Subd. 2. Hastings veterans home. Of the total appropriation, $7,084,000 is to replace tunnels and upgrade three buildings at the Hastings veterans home campus.

Subd. 3. Minneapolis veterans home. Of the total appropriation, $1,750,000 is for the following purposes at the Minneapolis veterans home campus: replacing a water main; installing a freight elevator; upgrade nursing stations; replacing a roof; making campus security improvements; and doing exterior stucco repair.

Subd. 4. Asset preservation. Of the total appropriation, $4,000,000 is for 46 asset preservation projects at the campuses of the Fergus Falls, Hastings, Luverne, Minneapolis, and Silver Bay veterans homes.

Subd. 5. Silver Bay veterans home. Of the total appropriation, $593,000 is to construct a maintenance shop and storage facility at the Silver Bay veterans home campus.

2 Bond sale. Requires the commissioner of finance, on request of the governor, to sell and issue general obligation bonds to provide the money for the projects listed in section 1.

3 Effective date. Makes sections 1 and 2 effective immediately.
