Overview

This bill authorizes MnSCU to construct a campus security building and lease state property at Moorhead State University.

1 **Moorhead State University; Construction of Campus Security Building; Authorization.** Authorizes MnSCU to construct a campus security building at Moorhead State University. Allows MnSCU to accept nonstate money to support construction of the building. Authorizes MnSCU to enter into an agreement with the city of Moorhead in which the city provides money for the construction of the building in exchange for the lease of space in the building for use by the city police department. Allows MnSCU to lease space in the building to the city for up to 25 years without obtaining state executive council approval.

2 **Moorhead State University; Lease or Sale of State Property; Authorization.** Authorizes MnSCU to lease state property at Moorhead State University to a private developer for the construction of student services, alumni foundation, and student residence hall facilities. Allows MnSCU to lease the property for a term of up to 50 years without obtaining state executive council approval.

3 **Effective Date.** Makes this act effective the day following final enactment.
